For Registrar

## General Guidelines to follow within Campus

1. Wearing face cover/mask is absolutely essential at all times failing which fine of INR 500 will be imposed.
2. At least 6 feet of space must be maintained between people at all times (in classes, labs, hostel, etc.)
3. Gathering in groups at any canteen is strictly prohibited.
4. Everyone should be mindful of hygiene, including washing hands with soap and water frequently.
5. If anyone has any symptoms such as dry cough, fever, headache, he/she should report to the SMO Campus hospital immediately, and also inform his/her supervisor/warden.
6. Those with underlying health conditions that may put them at a higher risk due to COVID-19, should not come or be asked to come to the class or lab.
7. Avoid ordering food from outside.
8. No visitors are allowed in the hostel.
9. On-campus students are not allowed to go outside the campus; without prior permission from Hostel Warden.
10. Inter hostel movements are restricted.
11. A further list of general do's and don'ts is also provided below.
12. Students will be allowed to stay in the hostels only after production of latest COVID-19 test report (not more than 3 days old).

### Do's and Don'ts

1. Do wash your hands for at least 20 seconds several times a day. Soap and water work the best. If you want to use a hand sanitizer, make sure that it has at least 70% alcohol. The overuse of alcohol-based sanitizer is not advised.

#### **When to wash your hands?**

*Before eating*

*After using the washroom*

*After blowing your nose, coughing or sneezing*

*Accidentally touching any surface in common areas*

2. Please make a conscious effort not to touch your eyes, nose and mouth. Whenever you catch yourself touching your face, immediately wash your hands and face with soap and water.
3. Do not step out of your room unless it is absolutely necessary.
4. Plan your laboratory work so that you minimize the time you spend in the Department. Let your supervisor know about your daily schedule.
5. Minimize your stay in the corridors or in the dining hall. Please leave the dining hall and head back to your room as soon you finish eating.
6. In case you are arriving on campus from outside, keep track of your temperature at least twice a day for one week after you arrive. Please bring a thermometer for your personal use.
7. Do not spit in public areas.
8. Avoid touching handrails.
9. Encourage communicating with people on phone or via e-mail. Use mobile phones preferably.
10. Carry personal hand sanitizers.
11. Avoid touching common surfaces like staircase railings, switches, door handles etc. If touched, wash your hands thoroughly with soap and water or sanitize.
12. Wear gloves while working in the labs/common facilities. Dispose them immediately after use in dustbins.
13. Carry your own water bottle. While refilling make sure the mouth of the bottle does not touch the tap. Also, maintain physical distancing while in the queue.
14. Avoid sharing/ exchange of materials. If done so, sanitization to be done.

15. Keep a record of your daily routine/contacts in order to help in contact tracing procedure.
16. Avoid movement outside campus as far as possible.
17. Keep the door and windows of the labs open all the time for good ventilation unless an air conditioned environment is absolutely necessary.
18. The concerned Incharge shall ensure that the foot operated/automatic sanitizer dispenser must be provided outside the classroom/lab for students and staff.
