To

1. All the Dean/Directors/Head of Depts./Offices,
LUVAS, Hisar.

Memo No. DFSAH/2023/36-76

Dated - 23.01.2023

Sub: Revised Rates of Laboratory Animals.

As approved by the Vice-Chancellor under rules 16.3 of LUVAS Account Code Volume-1, the rate of different species of the laboratory animals raised in the Disease Free Small Animal House are revised as under **with effect from 01.04.2023**.

Sr. No.	Animal	Rates for internal Depts. Of LUVAS and outside Government Institutions (Rs. per animal)	Rates for private institutions (Rs. per animals)
1.	Mice (Swiss Albino)	150	200
2.	Rats (Wistar, Albino)	250	350
3.	Hamsters (Syrian, Golden)	400	500
4.	Guinea Pig (Duncan Hartley)	900	1300
5.	Rabbits (New Zealand, white)	1800	3000

1. The animals in advance stages of pregnancy/ lactating mothers with young babies will be charged three times of the above mentioned rates.
2. The rates are net, each animal, ex-animal house, for either sex.
3. Only the surplus animals to be supplied to outside institutions, after meeting the entire demand of the internal departments of this University.

In-charge, DFSAH
