At the outset, the Chairman welcomed all the members of Board of Studies and the following decisions were taken:

Item No.1: Printing of VLDD prospectus

In the 224th meeting of BOS held on 28/4/12 at 0.30 a.m., it was decided that 5500 copies of the prospectus for “diploma courses” will be printed initially. The President, LUVASTA had written a letter to the worthy Vice-Chancellor that the prospectus for BVSc&AH was up-loaded on the university website and only 500 copies were printed. The same pattern should be followed in case of “diploma courses”.

The worthy Vice-Chancellor on the same letter passed the orders that the same pattern for printing of prospectus for the “diploma courses” may be followed as in the case of BVSc&AH. Therefore, it was decided that the prospectus for “diploma courses” will be up-loaded on the university website and only 500 copies will be printed with the following additions:

- i) The down-loaded application form will have computerized serial numbers if approved by the worthy Vice-Chancellor.
- ii) The application form will also bear a note that “please ensure that no alteration is made in the down-loaded application form otherwise the admission form will be rejected and even if a candidate is selected for the admission due to oversight, his/her admission will be cancelled at any stage.”

Item No.2: Outside visit of teachers for conducting the examination

The Dean, College of Veterinary Sciences appealed to all the teachers to avoid accepting assignments to conduct the examinations at other universities, during internal and external examinations of LLRUVAS because due to the shortage of faculty the work in our university suffers to a great extent. It was further decided that the faculty members who-so-ever applies for duty leave will give an undertaking that there is no theory/practical examination fixed or any other duty assigned during the period of leave applied for.

The meeting ended with vote of thanks to the Chair.
