

M.V.Sc. Thesis submitted

Sr. No.	Name of the student	Title of thesis	Year	Name of the Major Advisor
1.	Rameshwar Nath	Pathology of urogenital system of poultry	1967	Dr. C. M. Singh
2.	J. R. Sadana	A study of the pathology of baby pig mortality with special reference to its incidence in Punjab and Haryana	1968	Dr. C. M. Singh
3.	S. K. Mahajan	Studies on the pathology of urinary system of bovine with special reference to urolithiasis	1968	Dr. C. M. Singh
4.	R. S. Randhawa	Human pathogens from goat meat with special reference to sources of contamination	1969	Dr. D. S. Kalra
5.	D. P. Monga	Studies on mastitis due to fungi and micoplasmas in domestic animals	1969	Dr. D. S. Kalra
6.	F. S. Malik	Histopathological and histochemical studies of experimental fowl spirilchartosis	1970	Dr. D. S. Kalra
7.	C. B. Lohan	Studies on the pathology of mycotic mastitis in goats	1970	Dr. D. S. Kalra
8.	P. Dwivedi	Studies on the relative pathogenicity and pathogenesis of some salmonella serotype in young chicks	1970	Dr.F.C.Malhotra
9.	P.C. Verma	Studies on the pathology of buffalo calf mortality with special reference to its etiology	1970	Dr. D.S. Kalra
10.	P.L. Kaul	Studies on carcilomic horn in bovines	1971	Dr. D.S. Kalra
11.	Jagjit Singh	Experimental studies on aspergillosis in chicks with special reference to its pathology and pathogenesis	1971	Dr.F.C.Malhotra
12.	Subhash Chander	Studies on the pathology and some aspects of histochemistry of female reproductive tract of sheep and goats	1973	Dr. H.V.S. Chauhan
13.	Rattan Lal	Studies on the pathology and	1973	Dr. D.S. Kalra

		pathogenesis of trypanosomias (Surra) in buffalo calves		
14.	Mrs. Lalita Kaul	Studies on the pathology and pathogenesis of haemorrhagic syndrome of poultry induced by sulphaquinoxaline	1974	Dr.F.C.Malhotra
15.	Attar Singh Panisup	Lamb mortality – Studies on the pathology and possible etiology	1974	Dr. D.S. Kalra
16.	A.K. Pruthi	Studies on the pathology and sequential pathological events of genital tract of chickens infected experimentally with <i>Mycoplasma gallisepticum</i>	1975	Dr.M.U.Kharole
17.	Vijay Kuchroo	Immuno-pathological studies on bovine horn cancer.	1978	Dr.R.K.Paul Gupta
18.	S.K. Gupta	Pathology of Marek's disease in immuno-suppressed vaccinated and unvaccinated chickens	1978	Dr.M.U.Kharole
19.	V.K. Dhingra	Studies on certain clinical and immunopathological aspects of bovine horn cancer	1981	Dr.R.K. Paul Gupta
20.	A.S.Dehingia	Studies on certain immunopathological aspects of Marek's disease in normal and immunostimulated chickens	1983	Dr. S.N. Dixit
21.	H.M. Saxena	Some immunopathological studies on bovine horn cancer (squamous cell carcinoma of horn core)	1984	Dr. J.R. Sadana
22.	K.K. Jakhar	Clinicopathological studies on experimental selenium toxicity in buffalo calves.	1984	Dr.K.C. Bhatia
23.	R.P. Gupta	Clinicopathological studies on Zn deficiency in guinea pigs.	1984	Dr. P.C. Verma
24.	S.N. Gupta	Studies on the pathology of experimental <i>Escherichia coli</i> pneumonia in colostrums fed and colostrums deprived kids.	1985	Dr.S.K.Mahajan

25.	U.K. Batra	Studies on pathology and some aspects of immuno-therapy in bovine horn cancer	1985	Dr. J.R. Sadana
26.	V.K. Gupta	Studies on the pathology of experimental <i>Salmonella gallinarum</i> infection in normal and aflatoxin fed chickens	1986	Dr.M.U.Kharole
27.	Balwant Singh	Studies on certain clinicopathological aspects of bovine horn cancer	1986	Dr. J.R. Sadana
28.	Surinder Kumar Chaudhary	Studies on the pathology of experimental aspergillosis in Japanese quail.	1987	Dr. J.R. Sadana
29.	Suresh Kumar Kansal	Studies on the immunopathology of Marek's disease in HVT vaccinated chickens with special reference to role of macrophages.	1987	Dr.M.U.Kharole
30.	Parmod Kumar	Effect of aflatoxin B1 on the HVT vaccinal immunity against Marek's disease.	1988	Dr. A.K. Pruthi
31.	Raj Kumar Arora	Studies on the patho-anatomy and biochemical changes in experimentally induced Rickets in broiler chicks.	1989	Dr.K.C. Bhatia
32.	Raj Kumar Verma	Studies on the pathology and pathogenesis of phosphorus deficiency in rats.	1989	Dr. P.C. Verma
33.	Ajay Pandita	Studies on the pathology of <i>Aspergillus flavus</i> in Japanese quails (<i>Coturnix japonica</i>).	1990	Dr. J.R. Sadana
34.	Rajesh Kumar Asrani	Certain clinico-pathological studies on experimental candidiasis in Japanese quails.	1991	Dr.R.K. Paul Gupta
35.	S.K. Soni	Studies on the pathology and immune response in experimental candidiasis of chickens.	1991	Dr. A.K. Pruthi
36.	Gulshan Narang	Effect of levamisole on development of HVT vaccine immunity against	1991	Dr.M.U.Kharole

		Marek's disease.		
37.	Dinesh Sharma	Studies on the experimental colibacillosis in broiler chicks with <i>Escherichia coli</i> serotype 02.	1992	Dr.K.C. Bhatia
38.	Neeraj Sood	Some immuino-pathological studies in kids experimentally infected with <i>Mycoplasma mycoides</i> subspecies mycoides (LC, Y-Goat).	1993	Dr. S.K. Mahajan
39.	Ms. Anjali	Sequential pathological and immunological studies on experimentally induced thiamine deficiency in quail.	1993	Dr. A.K. Pruthi
40.	M.S. Sodhi	Studies on the pathology of <i>Absidia corymbifera</i> infection in rabbits.	1994	Dr.R.N.S. Khanna
41.	Rakesh Kaul	Studies on experimental <i>Absidia mycosis</i> in Japanese quails.	1995	Dr.J.R. Sadana
42.	Kusum Kalyan	Effect of levamisole on experimental respiratory infection in kids with <i>Mycoplasma mycoides</i> subsp. mycoides (LC-Goat).	1996	Dr.S.K.Mahajan
43.	Sadanand Deo	Studies on pathology of <i>Brucella melitensis</i> infection in G. pigs.	1996	Dr.S.K.Mahajan
44.	Vipin Kumar	Studies on the effects of Vitamin E supplementation on the potential of immunity in Herpes virus of turkeys vaccinated and challenged chicks.	1996	Dr. A.K. Pruthi
45.	Sanjeet Kumar	Studies on the pathogenesis and pathology of Hydropericardium syndrome in broiler chicks.	1997	Dr.M.U.Kharole
46.	Ms. D. Madhuri	Studies on pathology and pathogenesis of <i>Salmonella gallinarum</i> infection in plasmid cured vaccinated and unvaccinated chickens.	1997	Dr. J.R. Sadana
47.	Manisha Mangal	Studies on the pathology of experimental selenium toxicity in broiler chicks.	1997	Dr. J.R. Sadana

48.	S.K. Munjal	Effect of Zn deficiency on foot and mouth disease in guinea pigs.	1999	Dr. P.C. Verma
49.	Ranveer Singh Malik	Pathology of hydropericardium syndrome in chicks supplemented with vitamin E and selenium.	1999	Dr.S.K.Mahajan
50.	Munish Batra	Studies on pathology of experimental pneumonia due to <i>Mycoplasma mycoides mycoides</i> (LC) and <i>Pasteurella haemolytica</i> in lambs.	1999	Dr.K.C. Bhatia
51.	Sanjeev Kumar	Studies on pathology and pathogenesis of <i>Salmonella enteritidis</i> infection in vaccinated and unvaccinated quail.	2000	Dr. A.K. Pruthi
52.	Jaipal Dahiya	Clinico-pathological and biochemical studies of Ascites syndrome in broiler chicks.	2000	Dr.K.C. Bhatia
53.	Deepak Dalal	Studies on sequential pathology of Hydropericardium syndrome in experimentally infected turkey poults.	2000	Dr. A.K. Pruthi
54.	Anil Banwala	Clinico-pathological studies on sodium chloride toxicity in broiler chicks.	2000	Dr.S.K. Mishra
55.	Sunil Kumar	Studies on the pathology of experimental <i>Salmonella typhimurium</i> infection in Japanese quail.	2000	Dr. J. R. Sadana
56.	Tarsem Singh	Experimental maduramicine toxicity and pathobiology of different isolates of <i>Eimeria tenella</i> infection in chicks	2002	Dr. R. P. Gupta
57.	Deepika Lather	Clinico-pathological studies on Neem (<i>Azadirachta indica</i>) seed cake feeding in broiler chickens	2002	Dr. S. K. Mishra
58.	Sunil Kumar	Studies on experimental lead toxicity in chicken and the effect of cadmium supplementation in modulating the toxicity	2002	Dr. K. K. Jakhar
59.	Shilpa Sood	Pathological and immunological studies on <i>Pasteurella multocida</i>	2002	Dr. P.C. Verma

		infection in chickens		
60.	Sharad Kumar	Studies on the effect of cyclosporine-A on pathology and pathogenesis of experimentally induced hydropericardium syndrome in broiler chickens	2003	Dr. R. P. Gupta
61.	P.S. Kiran	Studies on the pathology of experimental <i>Listeria ivanovii</i> infection in mice.	2003	Dr.S.K. Mishra
62.	Vikas Choudhary	Studies on Effect of <i>Azadirachata indica</i> (Neem) Leaf Powder on Pathology and Pathogenesis of Experimentally Induced Hydropericardium Syndrome in Broiler Chickens	2004	Dr. A. K. Pruthi
63.	Narender	Pathology of Hydropericardium Syndrome in Normal and Cyclophosphamide treated Chickens and Quails	2004	Dr. A. K. Pruthi
64.	Sonia Raheja	Studies on the Effect of Neem (<i>Azadirachta indica</i>) Leaf Extract on Pathology of Experimental Fowl Typhoid in Broiler Chickens	2004	Dr. K. K. Jakhar
65.	Mamta	Studies on Effects of Tulsi (<i>Ocimum sanctum</i>) Leaf Powder on Pathology and Pathogenesis of Experimental Fowl Typhoid in Broiler Chickens.	2004	Dr. S. K. Mishra
66.	Monika Batra	Studies on Effect(s) of <i>Ocimum sanctum</i> (Tulsi) Leaf Powder on Pathology and Pathogenesis of Experimentally Induced Hydropericardium Syndrome in Broiler chickens	2004	Dr. R. P. Gupta
67.	Vikas Saini	Studies on the effect of Neem (<i>Azadirachta indica</i>) leaf extract on the pathology and pathogenesis of <i>E. coli</i> infection in broiler chicks	2004	Dr. P.C. Verma
68.	Shakti Malik	Studies on the efficacy of inactivated vaccine against hydropericardium	2005	Dr. K. K. Jakhar

		syndrome in broiler chickens		
69.	Vikas Sharma	Etio-pathological studies on gastrointestinal tract disorders of sheep	2005	Dr. A.K. Pruthi
70.	Kuldeep Singh	Etio-pathological studies on gastrointestinal tract disorders of buffalo calves	2005	Dr. S. K. Mishra
71.	Seema	Etiopathomorphological Studies on buffaloes/buffalo calves mortality.	2006	Dr. K. K. Jakhar
72.	Vikas Nehra	Studies on effect of vitamin E supplementation on pathology and pathogenesis of experimentally induced hydropericardium syndrome in broiler chicken	2007	Dr. R. P. Gupta
73.	Lehreena	Etiopathological studies on calves mortality with special reference to Hepatic disorders in bovines calves	2008	Dr. R. P. Gupta
74.	Ashish Hooda	Etiopathological studies on poultry mortality with special reference to gastroentestinal tract disorder	2009	Dr. S. K. Mishra
75.	Mukund S. Londhe	Studies on pathological investigation of gastrointestinal tract of bovines	2010	Dr. A. K. Pruthi
76.	Gaurav	Etio-Pathological studies on gastrointestinal tract disorders in sheep and goat	2010	Dr. K. K. Jakhar
77.	Renu	Pathological investigation of the diseases affecting gastrointestinal tract of poultry	2010	Dr. A. K. Pruthi
78.	Bhalerao Ashwinkumar Dajiba	Pathobiological studies on <i>Escherichia coli</i> infection in Newcastle Disease Virus vaccinated chickens	2011	Dr. R. P. Gupta
79.	Saurabh Kumar	Studies on etio-pathological aspects of mortality in sheep with special reference to gastro-intestinal tract disorders	2011	Dr. K. K. Jakhar
80.	Sumit	Etio-pathological studies on gastro-	2011	Dr. S. K. Mishra

		intestinal tract disorders in buffalo calves with special reference to <i>Escherichia coli</i> infection		
81.	Mamta Kumari	Clinico-pathological and Immunological studies in <i>Escherichia coli</i> infected broiler chicks fed on <i>Ocimum sanctum</i> leaf supplemented feed	2012	Dr. R. P. Gupta
82.	Nidhi Bishnoi	Etio-pathological studies on Gastro-intestinal Diseases of Bovines	2012	Dr. K. K. Jakhar
83.	Divya Kumari	Clinico-pathological studies on liver disorders and experimental <i>Salmonella</i> Gallinerum infection in broiler chickens fed Ashwagandha (<i>Withania somnifera</i>) root powder	2012	Dr. S. K. Mishra
84.	Sarvan Kumar	Clinico-pathological and microbiological studies on gastrointestinal tract disorders in sheep	2013	Dr. K. K. Jakhar
85.	Alok Joshi	Studies on the role of recombinant glycoprotein-B in protection against EHV-1 infection in BALB/c mice	2014	Dr. R. P. Gupta
86.	Amrender Nath Tiwari	Clinico-pathological studies of gastrointestinal disorders in sheep and goats with special reference to microbial infections	2015	Dr. K. K. Jakhar
87.	Sonu Sharma	Pathobiological studies on bovine neoplasms with special reference to epithelial tumours	2015	Dr. R. P. Gupta
88.	Vikash Sharma	Pathological and immunological studies of <i>Escherichia coli</i> infection in broiler chicken with special reference to effect of neem (<i>Azadirachta indica</i>) leaf extract	2015	Dr. K. K. Jakhar
89.	Sushma	Aetio-pathological studies in young ones of ruminants with special reference to digestive and respiratory system	2016	Dr. Vikas Nehra

90.	Komal	Pathological and Immunological Studies on Imidacloprid Toxicity and its Amelioration with Vitamin C in Chickens	2016	Dr. R. P. Gupta
91.	Adya Prakash Rath	Immuno-pathological studies on <i>Escherichia coli</i> infection in broiler chicken supplemented with Amla (<i>Emblica officinalis</i>)	2016	Dr. K. K. Jakhar
92.	Sapna Soni	Immuno-pathological studies on transmissible venereal tumour in dogs	2017	Dr. K. K. Jakhar
93.	Surjeet Singh	Pathological and immunohistochemical studies on neoplasms in dogs with special reference to skin epithelial tumours	2017	Dr. R. P. Gupta
94.	Pravesh Kumari	Effect of Spirulina feeding on sequential pathology of Infectious bursal disease vaccine in broiler chicken	2018	Dr. Gulshan Narang
95.	Paramjeet	Pathological and Immunohistochemical Studies on Tumours in Dogs with Special Reference to Mesenchymal Tumours	2018	Dr. Babu Lal Jangir
96.	Shobhna Singh	Aetio-pathological studies on respiratory tract disorders in small ruminants with special reference to <i>pasteurellosis</i> and <i>Pestes des Petits ruminants</i>	2019	Dr. (Mrs.) Chandratre Gauri A.
97.	Shailja Pandey	Pathobiological studies on poultry mortality due to hepatic disorders with emphasis on neoplastic conditions	2019	Dr. (Mrs.) Deepika
98.	Charlie Sharma	Pathobiological studies on bovine respiratory disorders with emphasis on infectious diseases	2019	Dr. Vikas Nehra
99.	Shreya Bahl	Pathomorphological and Immunohistochemical Studies on Tumours in Dogs with Special Reference to Genital and Mammary Tumours	2019	Dr. Babu Lal Jangir

100.	Diwakar Singh Rana	Pathological studies on experimentally induced <i>Pasteurella multocida</i> infection in rabbits	2020	Dr. Gulshan Narang
101.	Priyanka Tank	Patho-biological and immunological studies on alpha-cypermethrin toxicity and its interaction with <i>Escherichia coli</i> infection in broiler chicken	2020	Dr. K. K. Jakhar
102.	Subhash	Pathobiological studies on gastrointestinal tract disorders in ruminants with emphasis on paratuberculosis	2021	Dr. (Mrs.) Deepika
103.	Paras Saini	Immunohistochemical expression of proliferating cell nuclear antigen (PCNA) in tumours of dog mainly in round cell tumour	2021	Dr. Babu Lal Jangir
104.	Prameel Kumar	Patho-biological studies of urinary system in bovine	2021	Dr. Vikas Nehra
105.	Mandeep	Etiopathological studies on bovine respiratory tract disorders with special reference to <i>Sphingomonas paucimobilis</i>	2021	Dr. Chandrate Gauri A.
106.	Jayakeerthi N.	Pathobiological studies of cadmium toxicity and its amelioration with Giloy (<i>Tinospora cordifolia</i>) in broiler chicken	2021	Dr. Maneesh Sharma
107.	Vishal Chaudhary	Pathobiological studies on Cadmium induced sub-acute toxicity and evaluation of its amelioration by Brahmi (<i>Bacopa monnieri</i>) with special reference to neurotoxicity in Wistar rats	2023	Dr. Maneesh Sharma
108.	Neetu Nehra	Studies on the ameliorating effect of Eugenol (clove essential oil) on Aflatoxicosis in broiler chickens	2023	Dr. Deepika
109.	Ashmita Chahal	Patho-biological and Immunological studies of Monocrotophos intoxicated broiler chicken fed on Curcumin supplemented feed	2023	Dr. Vikas Nehra
