

Department of Livestock Production Management, LUVAS, Hisar
Masters' Thesis

A/c Sr. No.	Name of the student	Degree	Admn. No.	Advisor	Title
334	Ashok Kumar	M.Sc.		V.N. Tripathi	Effect of two methods & two levels of feeding during prepartum and lactation on the yield and composition of milk of Murrah buffalo cows
335	Ram Kumar Sharma	M.Sc.		R.A. Singh	Reproductive performance of White Pekin ducus under two systems of management
336	Digendra Nath Sarma	M.Sc.		V.N. Tripathi	The effect of whole milk substitution and frequency of feeding on the growth and cost of rearing of cross bred calves
337	Rajender Singh Yadav	M.Sc.		V.N. Tripathi	A comparative study of three feeding schedule for economic raising of crossbred calves
339	Atindra Mohan Bose	M.Sc.		C.K. Thomas	Raising buffalo calves in individual calf pens and in group in loose house with and without antibiotic feed supplement
340	Habte Geber Kidan	M.Sc.		R.N. Pal	Water requirement of young buffalo calves and heifers and other operation at the farm
341	Satya Pal	M.Sc.		R.N. Pal	Effect of restricted and ad.lib. Water supply on the various physiological norms in Murrah buffalo during summer and winter.
344	Dipankar Kar	M.Sc.		C.K. Thomas	An integrated system of raising calves & chicken
345	Kamal Chandra Burna	M.Sc.		R.N. Pal	Detection of heat in Murrah buffaloes by pedometer and other methods and synchronisation of estrus
346	Suresh Kumar Chopra	M.Sc.		C.K. Aggarwal	Studies on the reproductive performance & meat yields in white pekin ducus
347	Jagir Singh Dall	M.Sc.		V.N. Tripathi	Studies on evolving on economic system of raising buffalo heifers
348	Vibhuti Bhushan Sharma	M.Sc.		C.K. Thomas	Economic level of concentrates for buffalo heifers
351	Adnan Hussniswaid	M.Sc.		N.S.R. Sastry	Studies on the rate of milk flow of cross bred cows under hand milking condition
352	Surinder Singh Grewal	M.Sc.		N.S.R. Sastry	Effect of type of floor and level of concentrate supplementation on growth rate of Murrah buffalo heifers

353	Yousef Al.Rib dawi	M.Sc.		R.A. Singh	Supplementation of leaf meal in cereal based rations to achieve an acceptable egg yolk colour
354	Manjit Singh Sindhu	M.Sc.		R.N. Pal	Studies on the external physical traits and their relations to milk production and composition in Murrah buffaloes.
359	Mohinder Singh Yadav	M.Sc.		C.M. Kapoor	Growth performance of Murrah calves research under three types of calf starter
360	Danik Bahadur Karki Nepali	M.Sc.		N.S.R. Sastry	Effect of mode of housing during summer on growth and some physiological parameters of buffalo calves
362	Balbir Singh	M.Sc.		C.M. Kapoor	A study on concentration of milk & oestrus behaviour of Murrah buffaloes during DOKA
363	Jagat Lal Yadav	M.Sc.		L.R. Gupta	Effect of different housing system on the performance of lactating murrah buffaloes during summer
364	Randhir Singh	M.Sc.		D.N. Srivastava	Studies of the factors influencing the cost of collection, transportation and chilling of milk in milk shed area of milk plant, Jind
366	O.P. Mehra	M.Sc.		N.S.R Sastry	Effect of modes of housing during winter on growth and some physiological parameters of buffalo calves
367	Bhim Singh	M.Sc.		L.R. Gupta	Economic aspects of guar meal feeding vis-à-vis performance of lactating Murrah buffaloes
368	Rajinder Singh	M.Sc.		Narendra Singh	Effect of exercise on the growth and other parameters in buffalo calves
372	S.B. Phogat	M.Sc.		C.K. Aggarwal	Effect of red and green light on the growth and reproduction of Japanese quail
375	N.K. Dhingra	M.Sc.		C.M. Kapoor	Effect of caseinate on yield and composition of Paneer
377	I.A. Bempong	M.Sc.		L.R. Gupta	Effect of Shelter and sprinkling on the performance of lactating crossbred cows
383	Harish Kr. Gulati	M.Sc.		C.M. Kapoor	A study on utilization of goat meal in connection with buffalo milk for paneer production
386	Anurag Bhardwaj	M.Sc.		N.S.R. Sastri	Studies on milking behaviour of murrah buffaloes in relation to milk production and composition
387	Jagbir Singh	M.Sc.		S.C. Gupta	Influence of hatch and season on egg production and certain blood parameters in two lines of turkeys
390	Pala Ram Sharma	M.Sc.		N.P. Singh	Studies on the effect of enhanced feeding and anti parasitic measures on the performance of buffalo heifer

					calves
392	Jogender Singh Singal	M.Sc.		R.S. Yadav	Effect of two systems of pre-partum feeding of buffaloes on their colostrum characteristics with relevance to the performance of their calves during the first two months of life
393	Bharat Singh Machchra	M.Sc.		R. A .Singh	Effect of stocking sensity and age of birds on reproductive tratis of turkeys under intensive and semi intesnive system of management
397	Prem Pal Rohilla	M.Sc.		Shri Ram Choudhary	A study of different types of flooring systems for male buffalo calves in winter
399	Inderjit Singh Antil	M.Sc.		R.S. Yadav	Influence of speical summer managemental practices on growth, feed and water consumption and behaviour of growing buffaloes, kept in loose house
400	Gulam Ahmad Bhat	M.Sc.		C.K. Aggarwal	Effect of stocking sensity on cuged white leg horn layers
403	Nirmal Singh Dahiya	M.Sc.		R.A. Singh	Effect of certain light treatments on Reproductive performance of laying quails (Coturnix coturnix Jepanica)
408	Jagbir Singh	M.Sc.		R.A. Singh	Effect of different crude fibre levels during summer and winter on the performance of broilers
409	Suresh Kumar Chhikara	M.Sc.		Narendra Singh	Studies on let down time, milking time, milk flow rate and milk composition under different stages of lactation in Murrah buffaloes
411	Jagatjit Singh	M.Sc.		R.S. Yadav	Production profile of Murrah buffaloes under different housing and feeding system in hot humid season
413	Rajnish Kumar Sharma	M.Sc.		M.P. Singh	Effect of two levels and two system of feeding on the growth performance of male murrah buffalo calves.
415	Dalpat Singh Malik	M.Sc.		Narendra Singh	Effect of stocking sensity on the growth of Murrah buffalo Heifers
416	Pardeep Kumar Sharma	M.Sc.		R.K. Sharma	Comparative performance of broiler and cockerels fed wheat based diets for meat production
418	Vijay Kumar	M.Sc.		R.S. Yadav	Effect of special summer managemental practices on lactating Murrah buffaloes
420	Asit Chakrabarti	M.Sc.		Narinder singh	Effect of winter management systems on growth performance of female Murrah buffalo calves
422	Vipan Malik	M.Sc.		A.K. Varma	Studies on feeding and Reproduction management of buffaloes under village condition in Haryana

423	Surender Kumar	M.Sc.		B.P. Sengupta	Effect of four rearing system on the growth performance of Murrah buffaloes calves
424	Ravinder Kumar	M.Sc.		S.C. Gupta	Reproductive performance of broilers raised on salt floor
428	Devender Singh	M.Sc.		S.B. Phogat	The effect of dietary energy on the performance of broilers reared under different lighting sources
438	Heera Lal	M.Sc.		B.L. Yadav	Study on buffalo management practices of small and marginal farmers in Haryana
442	Rajnish Kumar	M.Sc.		L.R. Gupta	Effect of housing system and restricted green feeding on growth performance of female buffalo calves
448	Iqbal Singh	M.Sc.			Effect of protein on the performance of growing murrah buffalo calves
450	J.L. Yadav	M.Sc.		L.R. Gupta	Effect of different housing systems on the performance of lactating murrah buffaloes during summer
451	Pradeep Kumar Sharma	M.Sc.		R.K. Sharma	Comparative performance of broilers and cockerels fed wheat based diets for meat production
459	K.D.S. Tomer	M.Sc.		Rajender Singh	Reproductive problems in Buffaloes under field management conditions
463	Fasil Negussie	M.Sc.		A.K. Varma	Effect of different rearing systems on the performance of female crossbred calves
465	Ram Niwas	M.Sc.		M.S. Yadav	Effect of feeding different sources of protein on growth performance of young buffalo calves
470	Anand Singh Sheoran	M.Sc.		B.L. Yadav	A comparative study on adoption of dairy husbandry practices by the members and non-members of dairy milk co-operative societies in Haryana
471	Kidane Seyoum	M.Sc.	98AS164M	M.S. Yadav	Effect of management regimes on growth performance of female Haryana calves
472	Tibebu Adane	M.Sc.		S.K. Chopra	Studies on replacement of fish meal with vegetable protein sources in the ration on the performance of layers.
473	Tsenga Schenu	M.Sc.		R.S. Yadav	Effect of management regimes on growth performance of female crossbred calves
480	Rudra Prasad Poudel	M.Sc.	99AS240M	H.K. Gulati	Effect of management systems on growth performance of buffalo calves in winter season
481	Shree Prasad Sahu	M.Sc.	99AS245M	J.S. Dall	The buffalo management practices followed by the farmers of Karnal and Kurukshetra districts of Haryana
482	Shri Somvir Singh	M.Sc.	99AS149M	R.K. Sharma	Studies on management practices adopted by poultry farmers of Rewari

					district of Haryana
483	Yibrah Yacob Tedle	M.Sc.		S.S. Grewal	Effect of Housing and level of feeding on performance of crossbred female calves in winter season
485	Nirmala Pandey	M.Sc.	2000AS235M	A.K. Varma	Effect of good milk production practices on bacteriological quality of milk
490	Rajender Singh	M.Sc.	2000AS236M	R.S. Yadav	Effect of shelter management on the performance of female buffalo calves during winter
492	Seema Agarwal	M.Sc.	2001AS277M	S.C. Gupta	Effect of Replacement of maize by wheat and bajra on the reproductive performance of female Japanese quails
494	Arun Kumar	M.Sc.	2000AS234M	Rajender Singh	Effect of protein sources in the starter ration on the performance of sucking buffalo calves
496	Ashwani Kumar Saini	M.Sc.	2002V176M	J.S. Dull	Comparative response of Hay versus Green fodder and loose versus Barn House in Murrah Buffalo heifers
509	Raju Kadel	M.Sc.	2010AS241M	A.K. Varma	Studies on protein feeding from different sources on growth performance male Buffalo calves
356	Sachin Boruah	M.V.Sc.		R.A. Singh	Effect of alternate days scratched and phase feeding on the performance of egg type chicken
358	Sat Pal Pruthi	M.V.Sc.		C.K. Aggarwal	Effect of infra red a incandescent lamp brooding system on the performance of four genetic groups of broilers
357	Banwari Lal Yadav	M.V.Sc.		L.R. Gupta	Effect of housing & feeding systems on the milk yield, milk composition & physiological reactions of Murrah buffaloes during rainy season.
365	Chander Prakash Verma	M.V.Sc.		C.K. Aggarwal	Effect of hatching season, brooding and lysine and methionine supplementation on the performance of broiler
374	S.C. Suneja	M.V.Sc.		C.K. Aggarwal	Studies on the mortality pattern in birds as effected by species, sex, age and month of the year
376	R.K. Bora	M.V.Sc.		S.C. Gupta	Effect of different levels of Sodium chloride in feed and water on the performance of broilers
382	L.S. Kumar Singh	M.V.Sc.		Narendra Singh	Effect of housing and feeding system on growth in buffalo heifers during winter
404	Syed Basharat Ahmad Shah	M.V.Sc.		R.A. Singh	Effect of different brooding systems and dietary fibre content on the performance of broilers
410	Devender Kumar Lodiwal	M.V.Sc.		L.R. Gupta	An assessment of the Efficacy of Hot hour Body wetting and cool-hour feeding in the liorating thermal strain

					on growing female Buffalo calves kept under loose house system during summer
419	Rajkumar Chauhan	M.V.Sc.		R.K. Sharma	Comparative performance of broiler and cockerels fed Paddy (jiri) based rations for meat production
431	Prakash Vir Yadav	M.V.Sc.		R.K. Sharma	Effect of inorganic sulphate supplementation on the performance of broilers in fish meal free ration
432	Jaswant Singh	M.V.Sc.		S.C. Gupta	Effect of different levels of nitrate in water on the performance of broiler
436	Raj Singh Chahal	M.V.Sc.		C.K. Aggarwal	A study of factors influencing extent of adoption of certain managerial practices by poultry farmers of Ambala distt. In Haryana
437	Yashwant Singh	M.V.Sc.		S.S. Grewal	Studies of certain summer management practices on performance of buffalo calves
449	Banwari Lal Yadav	M.V.Sc.		L.R. Gupta	Effect of housing and feeding system on milk yield, milk composition and physiological reactions of Murrah buffaloes during rainy season
452	Raj Kumar Chauhan	M.V.Sc.		R.K. Sharma	Comparative performance of broilers fed paddy (jiri) based rations for meat production
456	Sanjay Kumar	M.V.Sc.		I.J. Juneja	Effect of feeding management on growth performance of female buffalo heifers
457	Punam Dahiya	M.V.Sc.		M.P. Singh	Effect of feeding two levels of dietary protein and bedding on growth performance of female buffalo calves during winter season
462	Dharmvir	M.V.Sc.		R.K. Sharma	Effect of sodium Bicarbonate supplementation in feed and cool hour feeding on the performance of growing meat type chicken during summer months.
467	Krishan Kumar	M.V.Sc.			Studies on the effect of dietary supplementation with rumensin for milk yield and its composition in Murrah buffaloes
468	Saurabh Shekhar	M.V.Sc.		R.A. Singh	Effect of sodium bicarbonate supplementation in drinking water and cool hour feeding on the performance and survivability of growing meat type chicken during summer
469	S.R. Bhardwaj	M.V.Sc.		H.K. Gulati	Managerial and economic studies on Buffalo keeping in Jhajjar District of Haryana
474	K. Ravindra Rao	M.V.Sc.		L.R. Gupta	Evaluation of growth potentiality of Murrah buffalo calves under different feeding regimes

476	Hari Om Yadav	M.V.Sc.		Narinder singh	Studies on Animal husbandry practices in the dryland areas of Southern Haryana
478	Jitender Kumar	M.V.Sc.		S.C. Gupta	Effect of sodium bicarbonate supplementation in water on the performance of broilers during summer
484	Mahavir Singh	M.V.Sc.		H.K. Gulati	Growth performance of Buffalo Calves under organized farm management conditions
487	Sanjeev Kumar	M.V.Sc.	2000AS297M	S.C. Gupta	Replacement of maize with wheat and bajra for meat production in quails (<i>Coturnix coturnix Japonica</i>)
489	Rajneesh Sirohi	M.V.Sc.	2000AS296M	R.S. Yadav	Effect of summer management practices on performance of Buffalo heifers
493	Gopal Raj Bansal	M.V.Sc.		Dipankar Kar	Effect of probiotic supplementation and feeding frequencies on growth performance and carcass quality of broilers
495	Rajni Arora	M.V.Sc.	2002V177M	M.S. Yadav	Effect of concentrate fodder ratio on the performance of female buffalo calves
498	Asok Kumar	M.V.Sc.		B.S. Sheokand	Studies on adoption of managerial practices and biosecurity measures by broiler farmers of Jind district
499	Shreehari, S.	M.V.Sc.	2005AS248M	R.K. Sharma	Effect of litter type and stocking density on the performance of broilers and composition of used litter
500	Probhakar Biswas	M.V.Sc.	2006AS224M	R.K. Sharma	Effect of Ashwagandha (<i>Withania somnifera</i>) and ascorbic acid on the performance of broilers in Hot weather.
502	Ravi Shankar Deo Barman	M.V.Sc.	2007AS124M	S.S. Grewal	Studies on non-genetic factors affecting first lactation and life time performance traits in Murrah buffaloes
503	Madeeha Untoo	M.V.Sc.	2008AS254M	R.K. Sharma	Antistress effect of Indian Gooseberry performance of Broilers during hot humid weather
504	Jitendra Singh	M.V.Sc.	2009AS207M	C.P. Verma	Effect of period of supplementation of multi-enzyme on the performance of Broilers
505	Tarig Abdalla Ahmed Gassim	M.V.Sc.	2009AS205M	A.K. Varma	Growth performance of Buffalo heifers under different feeding management system
506	Vishal Sharma	M.V.Sc.	2008AS212M	R.K. Sharma	Effect of Inorganic sulphate supplementation on the performance of Turkey Broilers in fish meal free ration
507	Ameelal Jakhar	M.V.Sc.	2010AS240M	S.S. Grewal	Effect of different sources of protein on growth performance of Murrah buffalo heifers
508	Mukesh Kumar	M.V.Sc.	2010AS239M	R.K. Sharma	Effect of supplementation of Indian Gooseberry and multi enzyme on the performance of broilers during hot

					weather
510	Mahavir Singh Godara	M.V.Sc.	2010AS237M	R.K. Sharma	Effect of Ashwagandha and Probiotic on the performance of broiler during hot weather
511	Akriti Sarowa	M.V.Sc.	2010AS238M	H.K. Gulati	Effect of feeding different protein sources and probiotic on growth performance and carcass traits in rabbits
512	Sujoy Khanna	M.V.Sc.	2011V19M	H.K. Gulati	Effect of management systems on growth performance and carcass traits in rabbits
513	Sandeep Sharma	M.V.Sc.	2012V14M	R.K. Sharma	Effect of litter type and superphosphate as litter amendment on the performance of broiler chicken & composition of used litter.
514	Abdul Aziz	M.V.Sc.	2013V18M	Dipankar Kar	Effect of chloride drinking water on the performance of broiler
515	Narender Singh	M.V.Sc.	2013V13M	H.K. Gulati	Effect of supplementing Spirulina (Arthrospira plantosis) and Thyme (Thymus vulgaris) on the performance of rabbits.
516	Sandeep	M.V.Sc.	2013V14M	Dipankar Kar	To study the dairy characters of lactating Murrah buffaloes on the basis of physical appearance and body parts measurements.
517	Dipin Chander Yadav	M.V.Sc.	2013V15M	Devender Singh	Effect of different litter materials on broiler performance
518	Rahul	M.V.Sc.	2013V17M	Devender Singh	Effect of different litter materials on broiler performance
520	Shiv Kumar	M.V.Sc.	2014V17M	H.K. Gulati	Effect of management systems on growth performance of buffalo calves in hot-humid weather
521	Ravi Kumar	M.V.Sc.	2014V16M	Dr. Dipankar Kar	Effect of feeding fishmeal and rumen protectes amino acids on growth performance of Murrah buffaloe heifers.
523	Amar Shroha	M.V.Sc.	2014V14M	Devender Singh Bidhan	Effect of supplementation of Ajwan (Trachyspermum amni.) on the performance of broiler chicken
524	Harish Rohila	M.V.Sc.	2014V13M	S.K. Chhikara	Effect of feeding Bypass fat on production performance of lactating Murrah buffaloes.
525	Deepak Kumar	M.V.Sc.	2014B15M	S.S. Grewal	Effect of supplementation of chelated minerals on growth performance of Buffalo calves.
526	Madhur	M.V.Sc.	2015V14M	H.K. Gulati	Effect of green tea (Camellia sinensia) extra at feeding and bedding materials on performance in hamsters.

527	Anuradha Verma	M.V.Sc.	2015V13M	S.K. Chhikara	Effect of chelated minerals supplementation on growth and reproductve performance of Murrah buffalo heifers.
528	Vikas	M.V.Sc.	2015V17M	H.K. Gulati	Study of buffalo management practices in Western Haryana
529	Sachin Dev	M.V.Sc.	2015V16M	S.K. Chhikara	Effect of probiotic supplementation on growth performance of buffalo calves reared under different housing system
530	Ramesh Kumar	M.V.Sc.	2015V15M	D.S. Bidhan	Effect of Shatavari (<i>Asparagus racenassus</i>) on the performance of broiler chicken
532	Sagar Kadyan	M.V.Sc.	2017V14M	H.K. Gulati	Effect of supplementation of B-carotene on production and reproduction traits of Murrah buffalo under loose housing system
533	Amit	M.V.Sc.	2017V11M	S.K. Chhikara	Effect of microclimate alterations on the performance of buffalo heifers during summer season.
534	Najeebullah	M.V.Sc.	2017V13M	S. Sahu	Effect of chelated minerals supplementation on the performance of lactating buffaloes.
537	mukesh	M.V.Sc.	2017V12M	D.S. Bidhan	comparative evaluation of kadaknath chicken performance under intensive system housing
538	Deepak Chopra	M.V.Sc.	2018V14M	S. Sahu	effect of different bedding materials on growth performance and behaviour of murrah buffalo calves
540	Ravinder saini	M.V.Sc.	2019V31M	S.K. Chhikara	effect of Aloe vera supplementation on the performance of buffalo calves.
541	Bawar Khan	M.V.Sc.	2019V49M	S. Sahu	effect of different lamps as heat source to ameliorate cold stress for buffalo calves in winter
542	Amandeep Ghanghas	M.V.Sc.	2019V49M	D.S. Bidhan	effect of sodium sulphate and fish oil supplementation on the performance of chicken broilers in fish meal free ration
543	Anajali Arya	M.V.Sc.	2019V52M	S. Sahu	Degree of social housing on cognitive behaviour and performance of Murrah buffaloes
