LUVAS, Hisar

Memo No. CVU/B-1/2018/2130-70

Dated: 02.08.2018

**Subject: Overhead/Institutional charges**

It has been observed that while submitting adhoc research projects to various funding agencies i.e. DBT/DST/ICAR/Other Agencies etc for conducting research work in LUVAS for approval, the provisions for overhead/institution charges are not made in the budget estimates. Worthy Vice-Chancellor has desired that henceforth any new research project is submitted to Centre Govt. or State Govt., the provision of overhead/institutional charges may be kept in view and must be made equal to 10-15% of total budget estimates of the project or as per guidelines of the funding agencies.
