## About the Workshop

The National Workshop-cum-Training will be helpful for the post-graduate students, Veterinary practitioners and faculty of the LUVAS to acquire knowledge about various theory and practical aspects on diagnostic imaging techniques including ultrasonography and radiology in Veterinary Clinical Practices. They will be acquainted with the different imaging procedures to strengthen the diagnostic component.

### Who can participate;

Post-graduate students; Veterinarians (Field as well as Private); Faculty of LUVAS only

### Number of Participants;

Maximum number 15

### Registration charges (INR);

Rs. 2000/- (Rs Two thousand only) per trainee.

### Terms and conditions

- Registration charges will be collected as cash at the time of registration on dated **26.02.2024**.
- This National Workshop-cum-Training will only be organized when there will be minimum of **05 participants**.
- The accommodation and TA/DA will not be provided to the participants by the LUVAS. They have to make the arrangements on their own.
- The program will be available on first come first serve basis.
