

DEPARTMENT OF VETERINARY MEDICINE					
LIST OF Ph.D STUDENTS					
Sr. No.	Name of Student	Degree	Advisor	Title	Year
1	R.D. Sharma	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of pathogenesis, diagnosis and treatment of theileriasis in cattle.	1970
2	S.K. Mahipaul	Ph.D.	Dr. O.P. Gautam	Pharmacological effects of certain autonomic drugs and antihistaminines and their clinical utility in relation to reticuloruminal motility in cattle and buffaloes.	1970
3	G.K. Roychoudhury	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of bovine babesiosis.	1973
4	B.B. Verma	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of trypanosomiasis (surra) in cattle and buffaloes.	1973
5	Shruti Dhar	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of theilriasis in cattle with special reference to its serological diagnosis.	1973
6	A.P. Galhotra	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of pathogenesis, diagnosis and treatment of anaplasmosis in Indigenous and exotic cross bred cattle.	1974
7	R.M. Bhardwaj	Ph.D.	Dr. O.P. Gautam	Studies on the prevalence, some aspects of pathogenesis, immunity and diagnosis of toxoplasmosis.	1974
8	S.K. Dwivedi	Ph.D.	Dr. O.P. Gautam	Studies on serodiagnosis, immunity, pathology and therapy of <i>Babesia bigemina</i> infection in cattle.	1975
9	Kitab Singh	Ph.D.	Dr. O.P. Gautam	Studies on some of the biochemical, histopathological and therapeutic aspects of parturient haemoglobinuria in buffaloes.	1976
10	Bhoop Singh	Ph.D.	Dr. O.P. Gautam	Studies on pathogenesis, serodiagnosis, immunity, pathology and therapy of <i>Babesia equi</i> in donkeys.	1976
11	M.P. Kapur	Ph.D.	Dr. .R.P. Singh	Studies on <i>Streptococcus uberis</i> in relation to mastitis in dairy animals.	1976
12	S. Jagadish	Ph.D.	Dr. O.P. Gautam	Studies on certain aspects of <i>Theileria annulata</i> infection in cattle, with particular reference to chemotherapy, chemoprophylaxis and some serum enzyme changes.	1977
13	P.K. Baruah	Ph.D.	Dr. .R.P. Singh	Studies on some aspects of <i>Neoscaris vitulorum</i> infection In buffalo calves.	1978
14	C.C. Kalita	Ph.D.	Dr. O.P. Gautam	Studies on the isolation, some aspects of pathogenesis and chemotherapy of toxoplasmosis.	1978
15	Shanti Sarup	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of anaplasmosis with special reference to its serology and immunology.	1978
16	R.S. Sisodia	Ph.D.	Dr. O.P. Gautam	Studies on cultivation of <i>Theileria annulata</i> schizonts in tissue culture and clinicopathological studies on <i>Theileria hirci</i> in sheep.	1977
17	D.K. Singh	Ph.D.	Dr. O.P. Gautam	Studies on <i>Theileria annulata</i> with special reference to its attenuation for immunization of calves.	1977
18	S.L. Gupta	Ph.D.	Dr. O.P. Gautam	Studies on the isolation, serodiagnosis and irradiated vaccine in toxoplasmosis.	1978
19	S.R. Bansal	Ph.D.	Dr. O.P. Gautam	Studies on some blood diseases of dogs with particular reference to <i>Babesia canis</i> and <i>Hepatozoon canis</i> infections.	1979
20	M.U. Ahmed	Ph.D.	Dr. O.P. Gautam	Studies on immunoprophylaxis of irradiated <i>Ancylostoma caninum</i> larvae in dogs.	1979
21	K.N.V. Sastry	Ph.D.	Dr. R. P. Singh	Studies on certain aspects of immunisation against tropical bovine theileriosis.	1980
22	S.K. Sharma	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of bovine anaplasmosis.	1980
23	A.A. Gaffar	Ph.D.	Dr. O.P. Gautam	Studies on certain aspects of pathogenesis and diagnosis of experimental <i>Escherichia coli</i> pyelonephritis in rabbits.	1981
24	R.S. Prasad	Ph.D.	Dr. R. P. Singh	Studies on the radiation attenuated <i>Haemonchus contortus</i> infective Larvae in goats.	1981
25	B.M. Khanna	Ph.D.	Dr. O.P. Gautam	Studies on certain aspects of chemotherapy, chemoprophylaxis and serodiagnosis of <i>Theileria annulata</i> infection in cattle.	1981
26	R. Manickam	Ph.D.	Dr. R. P. Singh	Studies on immunization and treatment of tropical theilriosis of cattle.	1981
27	M.A. Samad	Ph.D.	Dr. O.P. Gautam	Studies on certain aspects seroprevalence and immunity of tropical theileriosis in cattle and its propagation in immunosuppressed mice.	1981
28	S.P. Verma	Ph.D.	Dr. R.M. Bhardwaj	Studies on seroprevalence in relation to abortion, diagnosis and chemotherapy of ovine toxoplasmosis.	1982
29	D.V. Malhotra	Ph.D.	Dr. O.P. Gautam	Studies on non-specific immunization, chemotherapy and diagnosis of bovine tropical theileriosis.	1983
30	M.M. Hussain	Ph.D.	Dr. R. P. Singh	Studies on some aspects of sarcocystis infection in sheep.	1984
31	B.B. Kumar	Ph.D.	Dr. R. P. Singh	Studies on enteric colibacillosis in <i>laboratory rabbits</i> ( <i>Oryetolagus cuniculus</i> ).	1984
32	C. Suryanarayana	Ph.D.	Dr. R. P. Singh	Studies on prevalence in equines, clinico-pathological changes and chemotherapy in experimentally infected donkeys with <i>Trypanosoma evansi</i> .	1984
33	A.K. Raina	Ph.D.	Dr. R. P. Singh	Studies on certain biochemical changes, diagnosis and chemotherapy of experimental trypanosomiasis in buffaloes calves.	1985
34	K.P. Mallick	Ph.D.	Dr. O.P. Gautam	Studies on some aspects of immunization by infection and treatment method in neonatal calves against bovine tropical theileriosis.	1985
35	P.C. Shukla	Ph.D.	Dr. M.P. Kapoor	Evaluation of hyphoplastic cell culture infected with <i>Theileria annulata</i> for immunization against bovine tropical theileriosis.	1985
36	Jagdish Prasad	Ph.D.	Dr. M.P. Kapoor	Studies on <i>Staphylococcus aureus</i> with special reference to immunity to protein-A in rabbits.	1985
37	N.A. Singari	Ph.D.	Dr. R.M. Bhardwaj	Some aspects of erythrocytic metabolism in relation to the pathogenesis of haemoglobinuria in buffaloes.	1985
38	Ram Kishan Tanwar	Ph.D.	Dr. Kitab Singh Malik	Studies on experimentally induced polioencephalomalacia with amprolium in buffalo calves.	1991
39	N. Syaama Sundar	Ph.D.	Dr. Kitab Singh Malik	Studies on clinical manifestations, some bio-chemical aspects of amprolium induced polioencephalomalacia in buffalo calves.	1991
40	A.K. Gahlot	Ph.D.	Dr. R. P. Singh	Studies on some diagnostic, immunological and clinico-pathological aspects of early stage of experimental paratuberculosis in buffalo calves.	1992
41	Bhupender Singh	Ph.D.	Dr. R. P. Singh	Studies on some aspects of pica in camels ( <i>Camelus dromedarius</i> )	1993
42	S.K. Chugh	Ph.D.	Dr. R.M. Bhardwaj	Studies on certain aspects of oxidative stress in relation to pathogenesis and treatment of post-parturient haemoglobinuria in buffaloes.	1994

43	G.N. Sheikh	Ph.D.	Dr. Kitab Singh Malik	Studies on prevalence, some clinico-pathological and therapeutic aspects of ketosis in buffaloes.	1995
44	S.K. Gupta	Ph.D.	Dr. R.D. Sharma	Studies on field vaccination with cell culture vaccine against bovine tropical theileriosis and monitoring of cellular and humoral immune responses.	1995
45	Sridhar	Ph.D.	Dr. Shanti Swroop	Some aspects of pathogenesis and therapy of post-parturient haemoglobinuria in buffaloes.	1995
46	Sanjay Kumar	Ph.D.	Dr. D.V. Malhotra	Studies on immunophylactic activity of <i>Babesia equi</i> merozoites in donkeys and identification of Immunodominant polypeptides.	1997
47	A.A. Gauri	Ph.D.	Dr. Kitab Singh Malik	Studies on clinical aspects of experimentally induced polioencephalomalacia in sheep.	1998
48	Ranbir Singh	Ph.D.	Dr. Kitab Singh Malik	Studies on red cell shape and metabolism in relation to pathogenesis of post-parturient haemoglobinuria in buffaloes.	1999
49	Yudhbir Singh	Ph.D.	Dr. Kitab Singh Malik	Clinico-pathological and therapeutic studies in experimental hypomagnesemia in buffaloe-calves.	1999
50	F.C. Tuteja	Ph.D.	Dr. M.P. Kapoor	Studies on mastitis in buffaloes with special reference to serum selenium status and control by treating teat canal infections.	1999
51	Prem Sagar Saluja	Ph.D.	Dr. S.L. Gupta	Studies on bovine mastitis with reference to management practices and its therapeutic control.	1999
52	V.K. Jain	Ph.D.	Dr. Kitab Singh Malik	Some Clinico-chemical and therapeutic studies on ketosis in buffaloes ( <i>bubalus bubalis</i> ).	2001
53	Ashok Kumar	Ph.D.	Dr. Kitab Singh Malik	Studies on prevalence, characterization and therapy of <i>Malassezia pachydermatis</i> associated with otitis externa and dermatitis in dogs.	2001
54	Anju Manuja	Ph.D.	Dr. D.V. Malhotra	Identification of markers for studying diversity amongst <i>Theileria annulata</i> isolates from north west India.	2002
55	Muzaffar Shaheen	Ph.D.	Dr. Rakesh Kumar	Studies on etio-diagnostic, micronutrient status and chemotherapeutic aspects of bovine sub-clinical mastitis.	2005
56	Neelesh Sindhu	Ph.D.	Dr. Sridhar	Molecular diagnosis of antimicrobial resistance associated with bovine staphylococcal mastitis.	2010
57	Sushma Yadav	Ph.D.	Dr. V.K. Jain	Investigations on oxidative stress in post-parturient haemoglobinuria in buffaloes.	2013
