

Department of Veterinary Medicine					
List of MVSc Students					
Sr. No.	Name of Student	Degree	Advisor	Title	Year
1	R.D. Sharma	M.V.Sc.	Dr. R.P. Singh	Studies on the diagnostics and therapeutic aspects of bovine mastitis.	1967
2	Jasbir Singh	M.V.Sc.	Dr. R.P. Singh	Studies on incidence and control of spirochaetosis in poultry.	1967
3	Kishan chand	M.V.Sc.	Dr. R.P. Singh	Studies on incidence, course and some aspects of diagnosis and therapy of trypanosomiasis (surra) in domestic animals .	1967
4	P.K. Gupta	M.V.Sc.	Dr. R.P. Singh	Studies on incidence, diagnosis and therapeutic aspects of dermatomycosis in animals and poultry.	1967
5	M.C. Nagpal	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of non-specific haemoglobinnutria of buffaloes.	1968
6	S.K. Goel	M.V.Sc.	Dr. R.P. Singh	Studies on some aspects of diagnosis and treatment of surra in domestic animals.	1968
7	R.R.L. Garg	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of serological diagnosis and treatment of fowl spirochaelosis.	1968
8	Bhoop Singh	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of Incidence, pathogenesis, diagnosis and treatment of anaplasmosis in cattle, sheep and goats.	1969
9	Kitab Singh	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of haemoglobinuria in buffaloes.	1969
10	R.M. Bhardwaj	M.V.Sc.	Dr. O.P. Gautam	some aspects of toxicity and tissue distribution of malathon in buffalo.	1970
11	S.L. Gupta	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of pathogenesis and therapy of toxoplasmosis in domestic animals.	1971
12	S.P. Sharma	M.V.Sc.	Dr. O.P. Gautam	Studies on the incidence, some aspects of pathogenesis and therapy of toxoplasmosis septicaemia in buffaloes and cattle.	1971
13	D.S. Bajaj	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of immunity and therapeutics of experimental hemorrhagic septicaemia in buffaloes calves.	1971
14	V.V. Bhaskar	M.V.Sc.	Dr. O.P. Gautam	Studies on some of the clinical pathological aspects of indigestion In buffaloes and cattle.	1971
15	R.S. Panghaal	M.V.Sc.	Dr. R.P. Singh	Studies on some aspects of calf diarrhoea with special reference to etiological factors, diagnosis and treatment.	1972
16	M.L. Davra	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of pathogenesis, diagnosis and treatment of experimental theilriasis in sheep and goats.	1973
17	H.N. Razalan	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of the clinical, haematological and therapeutic aspects of avian coccidiosis.	1973
18	J.L. Bhutani	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of the bio-chemical constituents of blood in experimental <i>Trypanosoma evansi</i> infection (surra) in buffaloes calves.	1973
19	D.V. Malhotra	M.V.Sc.	Dr. O.P. Gautam	Studies on some aspects of <i>Babesia equi</i> Infection.	1976
20	O.P. Malhotra	M.V.Sc.	Dr. R.D. Sharma	Studies on <i>Babesia gibsoni</i> infection in dogs.	1976
21	R.K. Kaushik	M.V.Sc.	Dr. D.P. Banergie	Prevalence and chemotherapy of <i>Toxocara canis</i> infection in dogs.	1977
22	H.S. Dahiya	M.V.Sc.	Dr. R.P. Singh	Prevalence and chemotherapy of hookworm infection in dogs.	1977
23	M.K. Bali	M.V.Sc.	Dr. R.P. Singh	Studies on prevalence, immuno-diagnosis and chemotherapy of <i>Haemonchus contortus</i> .	1977
24	B.P. Malhotra	M.V.Sc.	Dr. M.P. Kapoor	Studies on some aspects of diagnosis, therapy and epizootiology of bovine sub clinical mastitis.	1979
25	Nazir Ahmed	M.V.Sc.	Dr. R.M. Bhardwaj	Studies on some aspects of pathogenesis and prophylaxis of experimental toxoplasmosis in rodents.	1979
26	K.P. Singh	M.V.Sc.	Dr. Kitab Singh Malik	Studies on some aspects of the bio-chemical and therapeutic aspects of pica in camels.	1982
27	B.S. Dahiya	M.V.Sc.	Dr. M.P. Kapoor	Studies on certain aspects of epizootiology, diagnosis and therapy of mastitis in buffaloes.	1982
28	N.K. Rakha	M.V.Sc.	Dr. R.M. Bhardwaj	Experimental studies on pulmonary edema and emphysema in buffaloes calves.	1982
29	J.N. Talukdar	M.V.Sc.	Dr. R.D. Sharma	Studies on chemotherapy of theilriasis and its prevalence in Assam and Meghalaya.	1983
30	A.K. Jain	M.V.Sc.	Dr. S.L. Gupta	Studies on some aspects of <i>Sarcocystis lindemanni</i> in buffaloes.	1984
31	S.K. Chugh	M.V.Sc.	Dr. Kitab Singh Malik	Some implication of bio-chemical and haematological factors in haemoglobinuria in buffaloes and explanation of an proximairy therapy.	1985
32	A.K. Nichani	M.V.Sc.	Dr. Shanti Swroop	Evaluation of different media and sera for in vitro propagation of thailenia annulata.	1985
33	Nazzer Ahmed	M.V.Sc.	Dr. S. R. Bansal	Effects of <i>Trypanosoma evansi</i> infection on the immune response of guinea pigs to foot and mouth disease vaccination.	1985
34	Parveen Goel	M.V.Sc.	Dr. Kitab Singh Malik	Evaluation of a new haemoglobinuria of buffaloes.	1986
35	Ajay Sharma	M.V.Sc.	Dr. S. R. Bansal	Studies on some aspects of blood transfusion in cattle.	1986
36	Jai pal Rana	M.V.Sc.	Dr. R.M. Bhardwaj	Some aspects of enzymatic and bio-chemical studies of buffalo enzymes in post-paturient haemoglnumia.	1987
37	Gopal Sharma	M.V.Sc.	Dr. R.D. Sharma	Immunization of trials with cell lutunos of thalomia animals propagated (in vitro) using homologous and heterologous sera.	1987
38	I.P. Dhakal	M.V.Sc.	Dr. M.P. Kapoor	Studies on some aspects of diagnosis of sub clinical mastitis in buffaloes.	1988
39	V.K. Jain	M.V.Sc.	Dr. R.P. Singh	Studies on some aspects of non-specific immunopotention in relation to experimental infection with	1988
				<i>Trypanosoma evansi</i> in Swiss alvine mice and evaluation a typological drug in experimental donkey.	
40	R.S. Kaushik	M.V.Sc.	Dr. S.L. Gupta	Studies on non- specific immunization and biochemical changes in pups to <i>Trypanosoma evansi</i> infection.	1988
41	Prem Chand Manda	M.V.Sc.	Dr. R.D. Sharma	Studies on immunization with a candidate cell cuture vaccine and chemotherapy with buparvaquone against bovine tropical theileriosis.	1988
42	Ranbir Singh	M.V.Sc.	Dr. Kitab Singh Malik	Studies on some aspects of clinical manifestations, diagnosis and treatment of parvoviral enteritis in dogs.	1989
44	Ashok Kumar	M.V.Sc.	Dr. Shanti Swroop	Chemotherapeutic and chemoprophylactic efficacy by buparavaquone in theileriosis.	1989
45	Sandeep dey	M.V.Sc.	Dr. R.P. Singh	Studies on some aspects of experimental sarcoystis infection in goats.	1989

46	Ranbir Singh	M.V.Sc.	Dr. R.M. Bhardwaj	Some bio-chemical and electron microscopical studies in post-parturient haemoglobinuria of buffaloes.	1989
47	Suresh Kumar Khatkar	M.V.Sc.	Dr. R.P. Singh	Studies on prevalence and clinical pathological aspects of sarcocystis infection in swine.	1990
48	Man Mohan Mata	M.V.Sc.	Dr. R.M. Bhardwaj	Role of oxidative stress in intravascular haemolysis in post-parturient hemoglobinuria of buffaloes.	1990
49	Yudhbir Singh Rana	M.V.Sc.	Dr. Shruti Dhar	Studies on some aspects of chemo immunization and chemotherapy with buparvaquone against bovine tropical theileriosis.	1990
50	Harish Kumar	M.V.Sc.	Dr. D.V. Malhotra	Some bio-chemical, haematological and scanning electron microscopic studies of erythrocytes in experimental <i>Babesia equi</i> infection in donkey.	1991
51	Rajesh kumar	M.V.Sc.	Dr. R.P. Singh	Some immunological and clinical pathological studies in apparently healthy and immunostimulated rabbits experimental infected with Mycobacterium paratuberculosis.	1991
52	Fateh chand Tuteja	M.V.Sc.	Dr. M.P. Kapoor	Studies on prevalence of mastitis and its control by dry-cow therapy.	1991
53	Chander Sekhar Sharma	M.V.Sc.	Dr. S.L. Gupta	Studies on DOT-ELISA test for diagnosis of bovine tropical theileriosis and its comparison with complement fixation test.	1992
54	Prem Sagar	M.V.Sc.	Dr. S.L. Gupta	Some haematological & scanning electron microscopic studies of erythrocytes in experimental <i>Theileria annulata</i> infection in crossbred calves.	1992
56	Sanjay Kumar	M.V.Sc.	Dr. D.V. Malhotra	Studies on some sero-diagnostic tests for <i>Babesia equi</i> infection.	1993
57	Vinod Kumar Mudgal	M.V.Sc.	Dr. R.D. Sharma	Studies on cross-immunity and field trial with cell culture vaccine against bovine tropical theileriosis.	1993
58	Arjun singh	M.V.Sc.	Dr. Kitab Singh Malik	Studies on some bio-chemical aspects of post-parturient haemoglobinuria of buffaloes.	1993
59	Jagdeep Singh	M.V.Sc.	Dr. S.R. Bansal	Studies on some aspects of pica in buffaloes and cattle.	1994
60	Krishan Kumar	M.V.Sc.	Dr. Kitab Singh Malik	Studies on some clinical-biochemical and therapeutic aspects of ketosis in buffaloes.	1994
61	Sudesh Kumar	M.V.Sc.	Dr. Shruti Dhar	Studies on sero- diagnosis and therapy of <i>Babesia equi</i> infection.	1995
62	Lokesh Kumar	M.V.Sc.	Dr. Rakesh Kumar	Clinico-immunological studies on experimental nephropathy in calves.	1995
63	Raj Kumar Beniwal	M.V.Sc.	Dr. R.D. Sharma	Studies on vaccination against <i>Theileria annulata</i> cell culture vaccine in new- borne calves and pregnant cows.	1996
64	Rajpal	M.V.Sc.	Dr. Shanti Swroop	Immunoprotective efficiency of <i>Babesia bigemina</i> exoantigens and attempts for its in vitro propagation by MHSP test.	1996
65	Ashwani Kumar	M.V.Sc.	Dr. S.L. Gupta	Studies on some aspects of equine colic with reference to evaluation and analysis.	1997
66	Deepak Suri	M.V.Sc.	Dr. R.D. Sharma	Studies on humoral immune response in animals immunized with <i>Theileria annulata</i> cell culture vaccine and characterization of parasitic isolate.	1997
67	Anju Manju	M.V.Sc.	Dr. Rakesh Kumar	Immuno diagnosis of <i>Theileria annulata</i> by ELISA using different antigen preparation and characterization with monoclonal antibodies.	1997
68	Yogesh Sharma	M.V.Sc.	Dr. D.V. Malhotra	Sero-diagnosis of <i>Babesia equi</i> By ELISA and its comparison with capillary tube agglutination test.	1998
69	Shri Krishan	M.V.Sc.	Dr. S.L. Gupta	Studies on prevalence, haemato-biochemical change and treatment of gastrointestinal nematodes infection in cattle.	1998
70	Inder Gahlawat	M.V.Sc.	Dr. Kitab Singh Malik	Studies on red cell oxidation stress in relation to treatment of post-parturient haemoglobinuria in buffaloes.	1998
71	Sube Singh	M.V.Sc.	Dr. A.K. Nichani	Field vaccination studies against bovine tropical theileriosis and its impact on epidemiology.	1998
72	Neeraj Khatri	M.V.Sc.	Dr. A.K. Nichani	Studies on the effect of vaccination with the <i>T. annulata</i> (Hisar) cell culture vaccine on epidemiology of tropical theileriosis.	1998
73	Sanjeev Phogat	M.V.Sc.	Dr. D.V. Malhotra	Studies on transmission of <i>Babesia equi</i> in <i>Hyalomma anatolicum</i> from experimental infected donkey.	1999
74	Ram Kishan	M.V.Sc.	Dr. Sridhar	Some aspects of pathogenesis & therapy of rheumatism like syndrome in buffaloes.	1999
75	Manish Kumar	M.V.Sc.	Dr. D.V. Malhotra	Studies on some epidemiological aspects of bovine tropical theileriosis in Haryana.	2000
76	Pardeep Kumar	M.V.Sc.	Dr. Rakesh Kumar	Clinico-diagnosis and therapeutic studies on experimental hepatic insufficiency in calves.	2001
77	Deepa	M.V.Sc.	Dr. Rakesh Kumar	Clinico-therapeutic studies on paracetamol induced hepatotoxicity in calves.	2001
78	Tulsi Ram	M.V.Sc.	Dr. Y.S. Rana	Studies on diagnosis and treatment of subclinical mastitis in buffaloes.	2002
79	Raju Sharma	M.V.Sc.	Dr. Ashok Kumar	Haemato-biochemical and therapeutic studies on haemorrhagic gastroenteritis in dogs.	2002
80	Rakesh Kumar	M.V.Sc.	Dr. Y.S. Rana	Sub-clinical mastitis in buffaloes comparative study on diagnosis and therapy.	2003
81	Vijay Singh	M.V.Sc.	Dr. V.K. Jain	Investigation on therapeutic aspects of erythrocytic oxidative stress and hypophosphataemia in buffaloes ( <i>Bubalus bubalis</i> )	2003
82	Pardeep Kumar	M.V.Sc.	Dr. Sridhar	Clinico-therapeutic studies on acute hepatic insufficiency in dogs.	2004
83	Manjesh kumar	M.V.Sc.	Dr. Rakesh Kumar	Prevalence, oxidative stress and therapeutic aspects of mastitis in buffaloes.	2004
84	Taruna Khemani	M.V.Sc.	Dr. Y.S. Rana	Therapeutic efficacy of Mastacure and its effect on cellular immune responses in buffaloes mastitis.	2005
85	A.K. Jain	M.V.Sc.	Dr. P. Goel	Detection of <i>Staphylococcus</i> spp. by double antibody sandwich enzyme linked immuno-sorbent assay (DAS-ELISA) in bovine sub clinical mastitis.	2005
86	Vanita Sharma	M.V.Sc.	Dr. Sridhar	Clinico therapeutic studies on hepatic insufficiency in buffaloes.	2006
87	Neelesh Sindhu	M.V.Sc.	Dr. V.K. Jain	Detection of <i>Staphylococcus aureus</i> in bovine sub clinical mastitis using polymerase chain reaction (PCR) assay.	2007
88	Monika Tehlan	M.V.Sc.	Dr. Y.S. Rana	Immunological and molecular techniques for diagnosis of sub clinical mastitis caused by <i>Staphylococcus aureus</i> in buffaloes.	2008
89	Mahesh Kumar	M.V.Sc.	Dr. P. Goel	Therapeutic studies on ceftiofur sodium and antioxidants in Sub-clinical mastitis in cows.	2008
90	Manik Panwar	M.V.Sc.	Dr. Y.S. Rana	Clinico-biochemical and therapeutic investigation on hypocalcaemia in buffaloes.	2008
91	Rajendra Yadav	M.V.Sc.	Dr. Ashok Kumar	Detection of streptococcal mastitis in bovine using polymerase chain reaction assay.	2009
92	Mahammad Shapoor Basiri	M.V.Sc.	Dr. Sridhar	Some aspects of diagnosis, pathogenesis and therapeutics of sub-clinical mastitis in buffaloes.	2009
93	Miakhil Janghir	M.V.Sc.	Dr. P. Goel	Investigation, prevalence and therapy of ear infection with special reference to <i>Malassezia pachydermatis</i> in dogs.	2009

94	Mohd. Irfan	M.V.Sc.	Dr. Sridhar	Clinico-biochemical and therapeutic investigation on hepatic insufficiency in cows.	2009
95	Vikram Malik	M.V.Sc.	Dr. Rakesh Kumar	Investigation on bacterial infections related to various skin diagnosis in dogs.	2010
96	Sushma Yadav	M.V.Sc.	Dr. V.K. Jain	Clinico – therapeutic studies on impactive colic in equine.	2010
97	Inderjeet Yadav	M.V.Sc.	Dr. Rakesh Kumar	Therapeutic and ultrasonographic investigation on mastitis in buffaloes.	2010
98	Jai Bhagwan	M.V.Sc.	Dr. Parveen Goel	Molecular studies on diagnosis of <i>Theileria equi</i> in latently infected equines.	2011
99	Anju Bala	M.V.Sc.	Dr. V.K. Jain	Clinico-therapeutic investigations on pyoderma in dogs.	2011
100	Narender Singh	M.V.Sc.	Dr. Ashok Kumar	Development of nested PCR for detection of <i>Theileria equi</i> in equines.	2012
101	Sandeep	M.V.Sc.	Dr. N.K. Rakha	Development of recombinant antigen based ELISA for serodiagnosis of <i>Theileria equi</i> in equines.	2012
102	Pradeep Kumar	M.V.Sc.	Dr. Sridhar	Clinico-biochemical and therapeutic investigation on hepatic insufficiency in goats.	2012
103	Parveen Kumar	M.V.Sc.	Dr. Rakesh Kumar	Evaluation of cytosine-phosphate-guanosine oligodeoxynucleotides (CpG-ODN) as immuno-modulator in horses.	2013
104	Ritesh Kumar	M.V.Sc.	Dr. Sridhar	Clinical, therapeutic and ultrasonographic studies in cases of gastritis in dogs.	2013
105	Gaurav Charaya	M.V.Sc.	Dr. Ashok Kumar	Detection of mastitis by multiplex polymerase chain reaction assay and its treatment in buffaloes.	2014
106	Ashwani Kumar	M.V.Sc.	Dr. N.K. Rakha	Role of antioxidant supportive therapy in enhancing clinical recovery by specific treatment of bovine tropical theileriosis.	2014
107	Swati Tiwari	M.V.Sc.	Dr. V.K. Jain	Molecular diagnosis of Staphylococcal mastitis by PCR and evaluation of dry animal therapy in buffaloes.	2014
108	Vinesh Kumar	M.V.Sc.	Dr. Parveen Goel	Studies on clinical diagnosis and treatment of hypothyroidism in dogs.	2014
