- **Participation in the national campaign "Ek Ped Maa ke Naam"**

1. Annual plantation targets: Implementation of scientific, location-specific plantation plans focusing on native, climate-resilient, and multipurpose tree species. Mainly focus on Roadside and canal-side plantations, college campuses.
2. Promote community-led plantation drives through awareness campaigns encouraging citizens to plant a tree in the name of their mother.
3. Involve District Forest Departments, NGOs in plantation and maintenance activities.
4. Integrate the campaign into environmental education, NCC, and extension programs.
