F.No. Ag. Edn./27-4/2026-EP&HS Dated the 4th November, 2026

To

All the Vice Chancellors of Agricultural Universities

Subject: Release of funds under Agricultural Education Division EFC Scheme "Strengthening Agricultural Higher Education in India (SAHEI)" - **Parking of funds - reg.**

Dear Sir/Madam,

With reference to the subject cited above, it is informed that Agricultural Education Division, ICAR provides financial support to the Agricultural Universities through its EFC scheme "Strengthening Agricultural Higher Education in India" on yearly basis. As the TSA Hybrid system has been adopted by the ICAR and all the Agricultural Universities have been mapped under TSA and limits are being assigned under TSA Hybrid after allocation of funds from time to time.

An evaluation of the public financial management system indicates that some of agricultural universities are not following the guidelines and rules of TSA and GFR 2017. These agricultural universities are inappropriately parking funds allocated under their TSA limits, rather than utilising within the specific financial year for approved items which is a matter of serious concern. Therefore, all concerned are kindly requested to incur expenditure strictly under the allocated subheads.

However, it may kindly be noted that as per TSA Hybrid norms/guidelines parking of funds is not allowed.

Yours sincerely,

(Inder Dev)
