The Committee reached the destination and contacted the Chairman of the Group and the Principal of the college. The inspection was carried out as per the norms, procedure and guidelines for affiliation of institutions. The detailed inspection report is given as under:

The dimensions of different laboratories and offices of administrative and academic blocks have been shown in the Annexure-I. The space requirements for administrative block, academic block and veterinary hospital were as per the norms. A functional veterinary complex was in working condition. The register having daily record of OPD was examined (photocopy attached).

All the officials and supporting staff members were present as per the norms (copy attached). The required number of animals was present. Animal farm had sufficient fodder and pasture facilities. The rooms for accommodation of students were sufficient in numbers (copy attached). The bus facility for transportation is also available. Play grounds with recreational facilities were available.

Equipments and related material for veterinary hospital, animal farm, lab-ware for laboratories, chemicals and reagents for conducting practicals have been detailed in Annexure-1A, B, C and D (copy attached). A few minor deficiencies have been highlighted in the Annexure which may be completed by next month.

The Committee after inspection was of opinion that space requirements were as per norms (need clarification with respect to contiguous 10 acre land) and the infrastructural facilities along with teaching and non-teaching staff positions were sufficient for teaching activities.

However, following clarifications are required in the documents submitted by the Society:

Page No. 34/73 Certificate of contiguous 10 acre land is not clear. There is mismatch between these 2 pages

Page No. 193 Appointment of Principal –Documents of selection *lacking*

Page No. 195 Appointment of Vice-chancellor of LUVAS? The CV is required for the post of Principal of the college *Page may be changed*

Page No. 295-96 Incomplete details & signature of Dr. Pawan *given on VC*

Page No. 350-353 Mismatching of signature of Mr. Manoj Kumar *change page*

Therefore, Committee is of the opinion that the above clarifications may be sought from the college/society before any recommendation for the pre-affiliation permission to be granted to RPS College of Veterinary Sciences, Balana, Mahendergarh for offering of VLD Diploma Course for the year 2021-22.

Subject:- Clarification/removal of deficiencies thereof.

Dear Sir

Kindly refer to your letter No. IPVS/2021/937 dated 04/08/2021.

In this connection, the clarification with regard to the observations by the Inspection Team appointed by your goodself for the physical verification of faculty and facilities developed by RPS College of Veterinary Sciences (VLDD Course), Balana, Mahendergarh – Haryana are as follows:

- 1). Certificate of contiguous land : That the college has sufficient contiguous land as required for VLDD course as per the norms of LUVAS. (Certificate of Contiguous land issued by Tehsildar is attached). Thus the observation in Point No. 1 has been corrected.
- 2). The reply to the Point NO. 02 is that the necessary biodata/documents regarding Principal have been provided.
- 3). The reply to the Point No. 03 is that the wrongly placed pages have been rectified.
- 4). The observation given at Point No 04 & 05 has been corrected .

This is for your further necessary action please.

Thanking You

Yours Sincerely
