MEMORANDUM OF UNDERSTANDING

for collaboration in

POST GRADUATE TRAINING AND RESEARCH

between

Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar, Haryana

(hereinafter referred to as University/Institute)

and

Central Sheep Breeding Farm, Hisar, Haryana

(hereinafter referred to as CSBF)

The Lala Lajpat Rai University of Veterinary and Animal Sciences (LUVAS), Hisar and the Central Sheep Breeding Farm (CSBF), Hisar of the Ministry of Fisheries, Animal Husbandry & Dairying, Department of Animal Husbandry & Dairying, Krishi Bhavan, New Delhi are amongst the premier research institutions at Hisar. These organizations aimed at overall growth of Indian economy in various fields including livestock sector. The two organizations are engaged in improving rural economy in order to uplift living standards of the population through developing improved scientific practices.

In order to promote quality research and training in cutting edge areas by facilitating faculty and students' research and academic priorities through collaboration for achieving the common goal mandated to the two organizations, this Memorandum of Undertaking (MoU) is being implemented between the University (Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar)

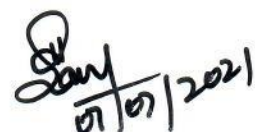

and

The Central Sheep Breeding Farm, Hisar with the following terms and conditions, applicable to both the University and the CSBF. This MoU is for research and training of students, registered with the University and undertaking collaborative research work by faculty/scientists of University and CSBF.

TERMS AND CONDITIONS

1. The University shall make admissions to its Master's and Doctoral degree programmes as per its rules and regulations. The university shall be responsible for realization of all fees and dues from the student, disbursement of scholarships and maintenance of all records pertaining to the degree requirements.

2. CSBF and the University would be expected to make reasonable contribution in the form of intellectual input to the student's research problem and may not merely serve as a source of providing samples/facilities for the study.
3. All disciplines, to which admissions are made by the University, shall be open for collaboration under the MoU, provided the proposed research aspect is covered in the mandate of the CSBF.
4. CSBF scientists/officers pursuing their Masters/Ph.D. degree from the university, if any, may be allowed to do their research work at CSBF as per the recommendations of the advisory committee.
5. The student shall complete the course work in the University, as per approved academic programme.
6. If Major Advisor from the University intends to get part of student's research work done at CSBF, then CSBF scientist to be included in Advisory Committee of the student as member.
7. If a student registered with University intends to carry out the research work at CSBF, CSBF shall make available its infrastructure and research facilities for the research work to the student and will not charge any fee from the University/student.
8. The student shall be required to submit "No Dues Certificate" from the CSBF, before the University allows submission of thesis/finally awards degree to the Student.
9. In case part of research work is done at CSBF, authorship will be decided by mutual consent between the student, Major Advisor and associated scientist as per University guidelines.
10. CSBF and University will work on mutually agreed collaborative research projects funded by one or both parties and/or by a third party in areas of mutual interest. Each research collaboration will require the approval of competent authorities of both the parties.

TERMINATION OF AGREEMENT

The MoU shall be effective from the date of its signing by both the parties and shall remain in operation until either party serves notice to the other for its intention to terminate it. In
