

Golden Opportunity for Veterinary Grads to Earn & Learn in the USA (J1 Visa is Open! Placements by Dec 2020!)

The J-1 Veterinary Program is a cultural exchange program that allows international veterinary graduates to pursue training in the area vet-business in order to improve their knowledge of advanced veterinary practices, techniques, methodologies and expertise, while enhancing their knowledge of American culture.

All positions earn a salary commensurate with an American Intern/Trainee. (~\$ 14000 yearly minimum), 1 year contract, plus accommodation. In case accommodation is not provided, salaries would be higher.

Positions available: 5 for Poultry Flock Worker and Piggery Flock Worker

Candidate Requirements

- Experience with poultry/piggery.
- Animal Science or related degree/student
- Plans to work in poultry/piggery industry in India after return
- Good English skills
- Ability to live "on their own" with roommates, possibly from different counties (two to each bedroom)
- Automobile driver's license and decent driving skills/experience
- Willingness to start at entry level and follow instructions

Timelines

- **Oct 2020:** Shortlisting of Candidates
- **Nov-Dec 2020:** Documentation and Visa
- **Dec 2020** Candidates arrive in the U.S. to attend orientations and commence internships
