

Important Instructions related to the Photographs to be affixed with application form in response to Advt. No. 1/2020.

The focus needs to be on face (80% face coverage, ears clearly visible, on white background). Photograph should not be with cap or goggles

- Spectacles are allowed only if being used regularly.
- Polaroid and Computer-generated photos are not acceptable. The candidates who have already affixed the computer generated photographs or with any other specification not covered in these instructions are advised to submit their photographs according to these instructions.
- Applications not complying with these instructions or with unclear photographs are liable to be rejected.
- Application without photographs shall be rejected.
- The photographs should be self-attested. Candidates are advised to keep 6 to 8 passport size coloured photographs of the same photograph as attached with the application.
- Candidates may note that if the photographs uploaded are found to be fabricated i.e. deshaped or seem to be hand-made or computer made, the application of the candidate will be rejected and the same would be considered as using Unfair Means and the candidate would be dealt with accordingly.
