

## **Institutional Innovation Council, DHRM, LUVAS, Hisar**

### **Celebrating National Technology Day (May 11<sup>th</sup>, 2024)**

#### **(Report of one-day exposure visit)**

On the occasion on National Technology Day which is celebrated in India on May 11 every year.

The 2024 theme for National Technology Day is “From Schools to Startups: Igniting Young Minds to Innovate.”

Institutional Innovation Council of LUVAS, under the guidance of worthy Vice-Chancellor Dr. (Prof.) Vinod Kumar Verma organized an educational exposure visit of students of internship (B.V.Sc & A.H) (n = 32) along with members of IIC (n = 7) to National Institute of Food Technology Entrepreneurship and Management (NIFTEM or NIFTEM-K) is a higher education institute operating under the Ministry of Food Processing Industries (MOFPI). It is located at Kundli industrial area of Sonapat, Haryana, India. It was granted the Institute of National Importance status in 2021. Students also visited unit of Yakult Danone India Private Limited, at Food Park, Rai Industrial Area, HSIIDC, Sonapat.

Students visited various facilities in the institutes and acquainted themselves with modern technology.

The aim of celebrating National Technology Day is to motivate the students to take up entrepreneurial opportunities in future in dairy and veterinary sectors. Dr. Rajesh Khurana, Director Human Resource Management, LUVAS highlighted the importance of exposure visits for students. Dr. Dr. Tejinder Pal Singh and Dr. Rachna were the coordinators of the visit.
