

THE HARYANA VETERINARIAN

Vol. 63(2)

(Abbreviation: Haryana Vet.)

December, 2024

CONTENTS

Pages

A. Research Articles

Histological changes in gravid uterus during different stages of pregnancy in Barbari goat Singh, S., Gangwar, C., Verma, A., Pathak, A., Farooqui, M.M., Singh, A. and Prakash, A.	157-161
B-mode echo-biometric and blood velocity indices of eye in different age groups of Gir cattle Tomar, V.R., Das, B., Singh, R., Shahi, A., Jawre, S., Jain, P., Rokade, A. and Mishra, A.	162-165
Emerging threat of multidrug resistant <i>Enterococcus</i> in the pork supply chain: A study in Andhra Pradesh, India Kumar, P.V., Rao, T.S., Kiranmayi, C.B., Rao, B.E., Kumar, K.A. and Basha, S.T.	166-171
Incidence of cardiac diseases in dogs of hilly state of Himachal Pradesh Sharma, P., Palahania, A., Tyagi, S.P. and Bodh, D.	172-177
An appraisal of constraints perceived by backyard poultry farmers of Punjab Kaur, K., Kasrija, R., Singh, J., Singh, K. and Sharma, R.K.	178-183
Economics of milk production in different seasons under pasture based dairy production system in Kashmir region Patoo, R.A., Khan, H.M., Baba, I.A. and Shafi, M.	184-186
Ameliorative effect of curcumin supplementation on haematological changes in monocrotophos intoxicated broiler chicken Chahal, A., Nehra, V., Nehra, N. and Lather, D.	187-190
Inclusion of 1, 3, 7-trimethylxanthine improved semen quality parameters of cattle bull semen Kumar, A., Virmani, M., Kumar, S., Kumar, R., Sarthak, Kanwar, A., Singh, G. and Magotra, A.	191-196
Histochemical studies on eyelids in fetuses of Indian buffalo (<i>Bubalus bubalis</i>) Tomar, M.P.S. and Bansal, N.	197-200
Molecular detection of antibiotic resistant genes and enumeration of <i>Clostridium perfringens</i> from enterotoxaemia suspected cases of sheep Urkude, P.P., Pawade, M.M., Tumlam, U.M., Muglikar, D.M., Kolhe, R.P., Jadhav, S.N. and Suryavanshi, D.	201-205
Gross anatomical study on middle ear ossicles in indigenous goats (<i>Capra hircus</i>) Manikanta Sarma, S.A.V., Pathak, D., Uppal, V. and Singh, O.	206-209
Therapeutic efficacy of RAJUVAS immunity booster powder in hematobiochemical and clinical circumstances in cattle affected with lumpy skin diseases Dhaka, M.K., Singh, A.P., Jain, D., Sharma, P. and Rewar, R.	210-215
Evaluation of efflux pump activity in ESBL-producing <i>Escherichia coli</i> isolates recovered from environmental sources of Mirzapur, Uttar Pradesh Satyaprakash, K., Kumar, P.P., Dubey, R., Shah, D., Parkunan, T., Barbuddhe, S.B. and Rawool, D.B.	216-220
Investigation on haemato-biochemical profiling and total IgE serology in dogs with canine atopic dermatitis Aditya, Jhambh, R., Singh, Y., Gupta, A.K. and Jangir, B.L.	221-226
Effect of kojic acid as an alternative to antibiotics in buffalo semen dilutor Yadav, U. Dutt, R., Bansal, K., Jinagal, S., Gupta, A., Bala, R., Bhardwaj, S., Verma, N., Bishnoi, M., Kumar, D. and Kumar, P.	227-230
Comparative bacterial contamination of eggs raised under different management systems in Punjab, India Taskeen, S., Singh, R., Bedi, J.S., Arora, A.K., Aulakh, R.S. and Singh, J.	231-236
Comparative histochemical study on male and female goat liver Verma, A., Uppal, V., Bansal, N. and Gupta, A.	237-243
Isolation and characterization of <i>Listeria monocytogenes</i> and other <i>Listeria</i> spp. in animals and humans Katkar, S., Zende, R.J., Vaidya, V.M., Sharma, R. and Shirke, A.H.	244-250
Effect of super napier green fodder on growth performance of Nellore brown lambs Jyothi, N., Ravindra Reddy, Y., Suresh Babu, D., Srinivasa Rao, D. and Vara Prasad Reddy, L.S.S.	251-253
Effect of mineral mixture and bypass fat supplementation on FAT, SNF and milk yield in lactating cattle Kumari, B. and Sinha, R.K.	254-258

B. Short Communication

- Occurrence of vector borne haemoparasitic infections in bovines of low lying areas of Punjab 259-261
Kaur, P., Juyal, P.D., Singla, L.D. and Bal, M.S.
- Occult diabetic ketoacidosis in Labrador Retriever: Diagnosis and management 262-264
Yadav, A., Kumar, T., Gupta, S., Sharma, M., Agnihotri, D. and Sindhu, N.
- Reversal of carbon tetrachloride induced hepatic damage by Morin in rats 265-268
Sri Harshini, V., Srividya, G., Ravi Kumar, P., Naveen Swaroop, M., Samatha, V., Anjaneyulu, P. and Sai Prathyusha, G.

C. Clinical Articles

- Successful management of dystocia due to fetal arthrogryposis in Red Kandhari cow 269-270
Natkar, S.B., Ramteke, S.S., Koli, A.B. and Patil, A.D.
- Molecular diagnosis and therapeutic management of *Babesia gibsoni* infection in Rottweiler: A case study 271-273
Punia, V., Das, G., Kumar, S., Verma, R., Nath, S., Gupta, D.K. and Mishra, V.
- Perineal urethrostomy with scrotal ablation for management of urethral rupture in a dog 274-275
Rana, A., Sharma, S.K., Kushwaha, R.B. and Gupta, P.
- Clinical coccidiosis in an adult dromedary camel 276-278
Das, B., Patel, N., Patel, K. and N. Suthar, A.
- Management of inguinal hysterocele of unilateral pyometra in a Spitz bitch 279-282
Umamageswari, J., Chavan, D., Rangasamy, S., Naveena, M., Mohamed Ali, M.G. and Krishnakumar, K.
- Study on effectiveness of selamectin for the treatment of *Otodectes cynotis* infection in cats 283-284
Sonika, A., Spoorthi, S., Lathamani, V.S., Ramesh, P.T., Harshitha, G.M., Kaveri, N.E., Manikanta, A.N. and Priyanka, V.
- Azoospermia due to retrograde ejaculation in a pug and its management 285-287
Sathishkumar, S., Arunmozhi, N., Sarath, T. and Sridevi, P.
- ECG and haematobiochemical alterations in a Dachshund bitch infected with large form of *Babesia* : A case report 288-289
Rathore, D. and Tarunpreet
- Unusual case of transmissible venereal tumor in advanced gestation in female Pomeranian dog: A case report 290-291
Vishakha, D., Ravindranath, B.M., Narsimhamurthy, Suchitra, B.R., Varsha, C., Summayya, S.R. and Shubha, G.S.
- Clinico-epidemiological studies on hypothyroidism in dogs 292-295
Naveen, N., Lakshmi Rani, N., Basava Reddy, K. and Devi Prasad, V.
