

THE HARYANA VETERINARIAN

Vol. 63(1)

(Abbreviation: Haryana Vet.)

June, 2024

CONTENTS

Pages

A. Research Articles

- Frozen thawed semen fertilized and *in vitro* produced embryo transfer in cows 1-3
Mehar, R.M., Amle, M.B., Khillare, K.P., Rangnekar, M.N., Mali, A.B., Sangale, B.P., Jawane, V.B. and Dhaygude, V.S.
- Antibiotic resistant zoonotic *Escherichia coli* and *Salmonella* serotypes in dogs- A clinical study 4-9
Ravish, P., Kumar, T., Charaya, G., Joshi, V.G., Kataria, D., Sindhu, N. and Agnihotri, D.
- A study on alterations in physiobiochemical parameters of ascites in dogs 10-15
Mittal, A., Sharma, M. and Singh, D.
- In vitro* effect of spices on ESBL producing *E. coli* bacteria isolated from milk of apparently healthy cattle 16-20
Poojitha, R., Shrivastav, A., Shrivastava, N., Kumar, N., Jha, A.K., Singh, S.K., Ranjan, R., Kumar, R. and Dixit, B.
- Effect of quercetin supplementation on oxidative stress parameters and membrane characteristics in goat semen stored at 4° C 21-25
Sharma, R., Anand, M., Yadav, S., Vaswani, S., Yadav, B., Dhariya, R. and Chaudhary, D.
- Assessment of knowledge gap regarding organic waste management among dairy farmers of Punjab 26-30
Singh, A., Tiwari, R., Panda, P., Joshi, P. and Dutt, T.
- Spectrophotometric method for the rapid determination of sperm concentration in Magra ram 31-36
Jangir, M., Rathore, N.S., Lal, P., Sareen, M., Moolchandani, A., Kumar, A., Kumar, V. and Talluri, T.R.
- Morphological analysis of minor salivary glands of pig: Gross anatomical studies 37-40
Rao, P. and Singh, A.
- Efficacy of seminal plasma removal and clarified tris egg yolk citrate diluter on sperm morphology for cryopreservation of Surti buck semen 41-43
Karthik, K.S., Chaudhari, N.F., Modi, L.C. and Chaudhary, J.M.
- Management and feeding practices during transition period of buffalo in the Vindhya region of Madhya Pradesh 44-51
Shakya, S.K., Rawat, N.S., Mishra, A.K., Sant, S., Govil, K., Ranjan, R. and Kakotiya, K.
- Effect of chicken anaemia virus, infectious bursal disease virus and avian reovirus infection on immune status of commercial poultry flocks under field conditions 52-56
Andrabi, S.A., Singh, A. and Gupta, K.
- Imidacloprid induced histopathological alterations, oxidative stress in liver and hepatoprotective role of *Withania somnifera* in female albino wistar rats 57-64
Soujanya, S., Lakshman, M., Madhuri, D., Gopala Reddy, A. and Rama Rao, S.V.
- Moringa oleifera* leaves extract enhances fresh and cryopreserved seminal attribute of Jamnapari buck 65-68
Kumar, V., Srivastava, S., Alam, K., Kumar, R., Kumar, S. and Kumar, P.
- Severe gastrointestinal helminthiosis in himalayan Gaddi goat with a note on hematobiochemical alterations 69-72
Parmar, D., Sharma, D., Katoch, A., Singh, E. and Verma, S.
- Ameliorative effect of *Prosopis cineraria* extract on gross and histopathological parameters against *Parthenium hysterophorus* induced skin damage in wistar albino rats 73-77
Rathore, A., Dadhich, R. and Khatri, A.
- Prevalence and identification of *Demodex* mites in dogs in Guwahati, Assam of north-east India 78-82
Bhowmik, P., Neog, R., Bhattacharjee, K., Islam, S. and De, A.
- Knowledge enrichment drive about zoonotic diseases with aid of video instructional material 83-86
Khurana, N., Kasrija, R., Sharma, R. and Sharma, R.K.
- Effect of different acidulants on physico-chemical properties of shelf stable chicken pickle 87-90
Singh, S., Goswami, M., Pathak, V., Vivekanand and Verma, A.K.
- Super-stimulation effect of follicle stimulating hormone on ovarian follicular status for ovum pick up in Sahiwal cattle 91-93
Reddy, Y.N., Veerabrahmaiah, K., Anusha, K., Krishna, N.V. and Kumar, G.S.
- Comparative cardiotoxic effects of vincristine and doxorubicin in canine chemotherapy 94-96
Jain, T., Kumar, A. and Saharan, S.

B. Short Communication

- Antibiogram studies on uro-genital infections in buffaloes 97-101
Deepika, Agnihotri, D., Charaya, G., Jhambh, R. and Singh, Y.

Diagnostic and therapeutic management of idiopathic dilated cardiomyopathy (DCM) in association with cardio-pulmonary oedema in a labrador retriever dog Jatavath, J., Banerjee, R. and Vaishnavi	102-104
Marketing and disease control measures adopted by poultry farmers in Haryana state Dahiya, N.S. and Shinde, K.P.	105-108
Acute myocardial infarction in a labrador dog: A necropsy-based study Jadhav, M.N., Chandratre, G.A., Lather, D., Nehra, V. and Jangir, B.L.	109-111
Appraisal of sheep and goat rearing practices followed by farmers in Haryana Kumar, S., Dahiya, S.P., Kumar, N. and Kumar, S.	112-116
Incidence of reproductive disorders in Deoni cattle Walikar, A., Bijurkar, R.G., Tandle, M.K., Dilipkumar, D., Kulkarani, S., Doddagoudar, V. and Rathod, P.	117-118
Endoscopic diagnosis of oesophagealchondrosarcoma in a spitz dog Ponnu Swamy, K.K., Venkatesan, M., Gopal, K., Sumathi, D., Ravi, R. and Dinesh, G.	119-120
Differential staining techniques to assess the staining characteristics of uterine epithelial cells from uterine flushing of endometritis affected buffaloes Thangamani, A., Srinivas, M., Rao, M.M., Sreenu, M. and Kumar, K.A.	121-124
C. Clinical Articles	
Successful therapeutic management of jaundice in cat Suryawanshi, A.A., Gaikawad, R.V., Pawalkar, D.A. and Galdhar, C.N.	125-126
Surgical management of concurrent fetal mummification and maceration in a bitch Saini, G., Fernandes, A., Nehru, D.A. and Bhardwaz, A.	127-128
Successful therapeutic management of ivermectin toxicosis in a non-descript dog: A case study Siddiqui, M.F.M.F., Sakhare, M.P., Shafi, T.A., Chepte, S.D., Malik, N.S. and Shaikh, S.R.	129-130
Surgical management of multiple cystic calculi in Labrador female dog - A rare case study Sagar, S., Pitlawar, S.S. and Suryawanshi, R.V.	131-132
Capillary-cavernous hemangioma in a dog: A mixed presentatio Srivastav, A., Prabhu, S.N., Gangwar, N.K., Singh, R., Singh, A.P., Gangwar, K., Bhate, Y., Kaushal and Purohit, S.	133-134
Caesarean section followed by ovariohysterectomy in a domestic short haired cat: A case report Ruthrakumar, R., Gopikrishnan, D., Palanisamy, M., Selvaraju, M., Devadharshini, N., Vinayaga, S.J. and Ezakial Napoleon, R.	135-137
J-plate for the management of bilateral supracondylar femoral fracture in a female dog Vardhan Reddy, P.V., Pushkin Raj, H., Shiju Simon, M., Sindhu, R. and Saran, S.	138-139
Hyperestrogenism and nonresponsive CEH-pyometra complex in a German Shepherd dog with bilateral ovarian follicular cysts Vidya, V.K., Abhilash, R.S., M. Harshan, H., M. Murali, R., Babu, A. and Jayakumar, C.	140-143
Surgical management of perineal hernia in male dogs Sulekha, Poonia, A., Tiwari, D.K., Arora, N., Saharan, S., Kumar, S., Alpa	144-146
Freemartinism in crossbred Holstein Friesian heifer Malik, A.A., Sofi, K.A., Singh, P.P. and Malik, F.A.	147-149
Management of unilateral bartholin's gland abscess in a crossbred Holstein-Friesian cow: A case report Alagar, S., Kalaivanan, M., Rangasamy, S., Arun, R., Methai, A., Rajasekaran, R. and Richard Jagatheesan, P.N.	150-152
Management of a rare dermatological issue associated with seminoma in a German Shepherd dog Subhiksha, V., Rangasamy, S., Umamageswari, J., Reena, D., Sureshkumar, R., Sathishkumar, S. and Alagar, S.	153-155
