

**Department of Veterinary Anatomy, LUVAS, Hisar**

Sr. No.	Name of Student	1971	Accession No.	Advisor	Title
1	Goyal, H.O.	1971	67	Dr. L.D. Dhingra	Gerontological studies on the histology and histochemistry of the testis in buffalo ( <i>Bos bubalus</i> ).
2	Bamel, S.S.	1971	69	Dr. L.D. Dhingra	Anatomical studies on the arteries of the brain in buffalo ( <i>Bubalus bubalis</i> ).
3	Chugh, V.K.	1972	68	Dr. L.D. Dhingra	Gerontological studies on the histology and histochemistry of kidney in buffalo ( <i>Bubalus bubalis</i> ).
4	Sapra, R.P.	1977	70	Dr. L.D. Dhingra	Gross anatomical and radiological investigations of blood vessels of thoracic limb of buffalo ( <i>Bubalus bubalis</i> ).
5	Borthakur, S.	1978	251	Dr. L.D. Dhingra	Anatomical studies on the blood vessels and lymphatics of the testis in buffalo ( <i>Bubalus bubalis</i> ).
6	Ram, S.	1978	276	Dr. L.D. Dhingra	Gross anatomical and radiological investigations of blood vessels of pelvic limb of buffalo ( <i>Bubalus bubalis</i> ).
7	Gupta, A.N.	1980	283	Dr. Yashwant Singh	Histological and histochemical studies on the accessory genital glands of normal and castrated buck
8	Jain, R.K.	1982	340	Dr. L.D. Dhingra	Angioarchitecture of the testis of Dog.

9	Singh, G.	1983	372	Dr. L.D. Dhingra	Histomorphology and histochemistry of the pituitary gland during different stages of pregnancy in sheep
10	Singh, H.	1984	382	Dr. D.N. Sharma	Histological and histochemical studies on the buffalo uterus during estrous cycle
11	Sandhu, P.S.	1985	383	Dr. L.D. Dhingra	The gross anatomical studies of skull of indian camel ( <i>Camelus dromedarius</i> )
12	Goswami, R.K.	1988	384	Dr. D.N. Sharma	Histomorphological and histochemical observations on ovary in murrah buffaloes
13	Singh, I.	1988	410	Dr. Suraj Kumar	Gross Anatomy of the respiratory tract in goat ( <i>Capra hircus</i> )
14	Goswami, S.K.	1989	411	Dr. Yashwant Singh	Regional histology and histochemistry of ductus epididymidis and vasa deferentia in camel ( <i>Camelus dromedarius</i> )
15	Sambyal, R.S.	1991	412	Dr. S.K. Nagpal	Histomorphological and histochemical studies on the accessory genital glands of male camel ( <i>Camelus dromedarius</i> )
16	Kumar, P.	1992	414	Dr. Suraj Kumar	Histological studies on the nasal cavity of goat ( <i>Capra hircus</i> )
17	Singh, M.	1992	415	Dr. S.K. Nagpal	Histomorphological studies on the stomach of camel ( <i>Camelus dromedarius</i> )

18	Duhan, D.S.	1995	416	Dr. Amar Nath Gupta	Histological and histochemical studies on the pancreas of buffalo ( <i>Bubalus bubalis</i> )
19	Duhan, S.S.	1995	422	Dr. S.K. Nagpal	A morphological study of salivary glands of single humped camel
20	Punita	1995	423	Dr. Suraj Kumar	Histomorphological studies on postnatal development of kidney in goat
21	Gupta, M. K.	1996	425	Dr. Amar Nath Gupta	Histomorphological and histochemical studies on buccal and labial glands of buffalo ( <i>Bubalus bubalis</i> )
22	Anuradha	1996	427	Dr. R.K. Jain	Gross anatomical and radiological investigations of blood vessels of testis and kidney in camel ( <i>Camelus dromedarius</i> )
23	Suman	1997	428	Dr. Gurdial Singh	Histomorphology of nasal cavity in camel ( <i>Camelus dromedarius</i> )
24	Kumar, S.	1997	432	Dr. Gurdial Singh	Intraosseous venous circulation of radius and metacarpal of buffalo calf
25	Kumar, A.	2000	433	Dr. S.K. Nagpal	Gross anatomical and histomorphological studies on the spleen of camel ( <i>Camelus dromedarius</i> )
26	Saggar, D.	2001	438	Dr. Pawan Kumar	Light and sem of the pineal gland and subcommissural organ of sheep ( <i>Ovis aries</i> )

27	Singh, A.	2001	440	Dr. Gurdial Singh	Gross and histological studies on the lungs of buffalo calves
28	Yadav, P.K.	2001	443	Dr. Gurdial Singh	Ultrastructural localization of different enzymes in leucocytes and thrombocytes of buffalo calves and camels
29	Sinha, S.	2002	444	Dr. S.K. Nagpal	Gross and fine structure of the bronchi and lungs in camel
30	Gahlot, P.K.	2002	445	Dr. Pawan Kumar	Light and scanning electron microscopic structure of nasopharynx and the nasopharyngeal, lingual and palatine tonsils in goat.
31	S, Ganganai	2004	446	Dr. R.K. Jain	Gross anatomy, light and scanning electron microscopic studies on the nasal cavity of sheep ( <i>Ovis aries</i> )
32	Saxena, V.	2006	451	Dr. Amar Nath Gupta	Histomorphological and histochemical studies on buccal and labial glands of goat ( <i>Capra hircus</i> )
33	Pathak, D.	2008	453	Dr. S.K. Nagpal	Histology, histochemistry and scanning electron microscopy of oviduct and uterus of sheep ( <i>Ovis aries</i> )
34	R, Mahesh.	2010	454	Dr. Gurdial Singh	Histology, histochemistry and scanning electron microscopy of stomach of goat ( <i>Capra hircus</i> )

35	Kumar, P.	2011	455	Dr. Pawan Kumar	Histology, histochemistry and scanning electron microscopy of the subcommissural organ and pineal gland of the pig
36	Poonia, A.	2011	460	Dr. Pawan Kumar	Histological and histochemical studies on the compound stomach of sheep ( <i>Ovis aries</i> )
37	Singh, A.	2012	461	Dr. R.K. Jain	Histomorphological and histochemical studies on the buccal and labial glands of sheep ( <i>Ovis aries</i> )
38	Parkash, T.	2012	465	Dr. R.K. Jain	Gross anatomical and radiological investigations on blood vessels of head in goats ( <i>Capra hircus</i> )
39	Katare, B.	2014	466	Dr. Gurdial Singh	Histomorphological study of the oviduct and uterus of goat ( <i>Capra hircus</i> ) during follicular and luteal phase
40	Ranjit	2016	467	Dr. Pawan Kumar	Histology, histochemistry and scanning electron-microscopy of tonsils of oro and nasopharyngeal region of the young pigs
41	Satish	2016	538	Dr. Pawan Kumar	Studies on gross anatomy, histology, histochemistry and scanning electron microscopy of hard palate, oropharynx, and associated glands in broiler chicks

42	Bansal Shailja	2017	539	Dr. Pawan Kumar	Gross anatomy, histology, histochemistry and scanning electron microscopy of tongue, cranial larynx, and associated glands in broiler chicks
43	Neeraj Singh Rajpoot	2017	543	Dr. Gurdial Singh	Histological and histochemical studies on the small and large intestine of chickens of different age groups
44	Asha	2021	545	Dr. Pawan Kumar	Light microscopic studies on the oesophagus, crop, proventriculus and gizzard of broiler chickens of different age groups
45	Sanju Singla	1971	549	Dr. Pawan Kumar	Histological and histochemical studies on the larynx of goat (Capra hircus)
