

**Department of Veterinary Parasitology, COVS, LUVAS, Hisar  
(Haryana)-125004**

**(Master's Thesis List)**

<b>SR. NO.</b>	<b>NAME OF THE STUDENT</b>	<b>MAJOR ADVISOR</b>	<b>TITLE OF THESIS</b>	<b>YEAR</b>
1.	<b>Dr. S. C. Misra</b>	Dr.Karam Chand	Incidence of helminthes in goats at Hisar	<b>1967</b>
2.	<b>Dr. P. K. Bhatnagar</b>	Dr.Karam Chand	Incidence of helminthes in fowls at Hisar	<b>1967</b>
3.	<b>Dr. Nirmal Kumar</b>	Dr. N. S. Ruprah	Ecological studies of <i>Hyalomma anatolicume excavatum</i> on cattle and buffaloes with institution of effective control measures	<b>1971</b>
4.	<b>Dr. M. N. Housaini</b>	Dr. N. S. Ruprah	Prevalence, pathogenicity and treatment of sarcoptic mange in dogs	<b>1978</b>
5.	<b>Dr. M. Z. Khuram</b>	Dr. P. D. Malik	Study of the incidence, pathogenicity and intradermal hypersensitivity reaction in <i>Dictyocaulus filarial</i> infection in sheep	<b>1978</b>
6.	<b>Dr. D. K. Maske</b>	Dr. N. S. Ruprah	Prevalence, pathogenicity and treatment of psoroptic mange in buffaloes	<b>1979</b>
7.	<b>Dr. Rajinder Kumar</b>	Dr. N. S. Ruprah	Studies on Prevalence, pathogenicity and treatment of lousiness in domestic fowl	<b>1980</b>
8.	<b>Dr. S. S. Chaudhri</b>	Dr. R. P. Gupta	Studies on incidence and epidemiology of paramphistomosis in sheep	<b>1981</b>
9.	<b>Dr. Raj Singh</b>	Dr. N. S. Ruprah	Seasonal incidence of coccidiosis along with some cross transmission studies on coccidiosis of sheep and goats	<b>1981</b>
10.	<b>Dr. S. K. Gupta</b>	Dr. N. S. Ruprah	Studies on some aspects of bionomics and treatment of <i>Oestrus ovis</i> Linnaeus, 1758 in sheep	<b>1982</b>
11.	<b>Dr. J. Ghosh</b>	Dr. R. P. Gupta	Studies on some aspects of immuogenicity of irradiated paramphistome metacercariae in sheep	<b>1982</b>
12.	<b>Dr. V. K. Singh</b>	Dr. D. P. Banerjee	Some drug trails in tropical bovine theileriosis and its attempted transmission in rabbits	<b>1983</b>
13.	<b>Dr. Satyavir Singh</b>	Dr. D. P. Banerjee	Studies on immuoprophylaxis of <i>Haemonchus contortus</i> larvae in sheep.	<b>1985</b>

14.	<b>Dr. Arun KSangwan</b>	Dr. M. B. Chhabra	Assessment of <i>Theileria</i> infection of <i>Hyalomma</i> ticks in Haryana and their acaricidal control	<b>1985</b>
15.	<b>Dr. K. L. Khurana</b>	Dr. M. B. Chhabra	Comparative <i>Theileria</i> transmission potential of <i>Hyalomma</i> spp. ticks and their acaricidal control	<b>1985</b>
16.	<b>Dr. Sudesh Kumar</b>	Dr. C.L. Yadav	Studies on cross transmission of gastrointestinal nematodes of camel and comparative efficacy of some new anthelmintics	<b>1990</b>
17.	<b>Dr. Hargyan Singh Grewal</b>	Dr. C. L. Yadav	Studies on the susceptibility of 2 cross bred of sheep to <i>Haemonchus contortus</i>	<b>1991</b>
18.	<b>Dr. Ashok Kumar</b>	Dr. C.L. Yadav	Studies on some aspects of epidemiology and chemotherapy of GI nematodes of sheep	<b>1991</b>
19.	<b>Dr. Prerna</b>	Dr. P.K. Bhatnagar	Clinico-pathological studies in goats & drug trails against experimental <i>Taenia hydatigena</i> infection in dogs	<b>1992</b>
20.	<b>Dr. Raj Kumar</b>	Dr. C.L. Yadav	Anthelmintic resistance in gastrointestinal nematodes of sheep.	<b>1992</b>
21.	<b>Dr. Rajender kumar</b>	Dr.Rajinder Kumar	Studies on immunological control of tick <i>Hyalomma dromedarii</i> n rabbits	<b>1993</b>
22.	<b>Dr. Zile Singh</b>	Dr. C. L. Yadav	Studies on breed differences in acquired resistance in sheep to <i>Haemonchus contortus</i>	<b>1993</b>
23.	<b>Dr. Rakesh Kumar</b>	Dr.Rajinder Kumar	Studies on immunization of rabbit against <i>Hyalomma dromedarii</i>	<b>1993</b>
24.	<b>Dr. B.S. Malik</b>	Dr. S.S. Chaudhary	Studies on interaction of <i>Trypanosoma evansi</i> with host nutritional status	<b>1995</b>
25.	<b>Dr.(Ms) Usha Saini</b>	Dr. D. P. Banerjee	Haematological and immunodiagnostic studies on experimental <i>Toxocara vitulorum</i> infection in Buffaloes	<b>1995</b>
26.	<b>Dr. Atul Handa</b>	Dr. Rajinder Kumar	Cutaneous myiasis: Etiology, histopathology & treatment in sheep	<b>1995</b>
27.	<b>Dr. Bhupender Kr. Yadav</b>	Dr. C. L. Yadav	Response of lambs to fenbendazole & Morental resistance and susceptible strains of <i>Haemonchus contortus</i>	<b>1996</b>
28.	<b>Dr. Rajat Garg</b>	Dr. D. P. Banerjee	Studies on immune response of chicken to <i>Eimeria tenella</i> sporozoites antigen	<b>1996</b>
29.	<b>Dr. Ajit Singh</b>	Dr. J.D. Ghosh	Studies on coccidiosis and its interaction with higher dietary Ca and Zn in relation to efficacy and growth performance in broilers	<b>1997</b>
30.	<b>Dr. Om Prakesh</b>	Dr. S.K. Gupta	Studies on immunogenic potential of <i>Eimeria tenella</i> sporulated oocysts antigen in chicken	<b>1997</b>

31.	<b>Dr. Vikas Hooda</b>	Dr. C.L. Yadav	Response of sheep (Sonali X Corriedale) to challenge infection with <i>Haemonchus contortus</i>	<b>1997</b>
32.	<b>Dr. Sanjay Kumar</b>	Dr. D. P. Banerjee	Characterisation of immunogenic fractions of salivary gland extract of the tick, <i>Hyalomma anatolicum anatolicum</i>	<b>1998</b>
33.	<b>Dr. Rohtas Singh</b>	Dr. J.D. Ghosh	<i>In vitro</i> cultivation of <i>Toxocaravitulorum</i> second stage larvae and possible establishment of patent toxocariosis in buffalo calves	<b>1999</b>
34.	<b>Dr. Sunita Dalal</b>	Dr. Rajinder Kumar	Studies on the effect of inter-species mating between <i>Hyalomma anatolicum anatolicum</i> and <i>Hyalomma dromedarii</i>	<b>1999</b>
35.	<b>Dr. Rakesh Kumar Gautam</b>	Dr. S.K. Gupta	Studies on drug resistance in the field isolates of <i>Eimeria tenella</i> from some parts of Haryana	<b>1999</b>
36.	<b>Dr. Ramesh Chander</b>	Dr. Rajinder Kumar	Studies on prevalence and haematology of parasitic infections in equines at Hisar	<b>1999</b>
37.	<b>Dr. Kailash Rana</b>	Dr. Satyavir Singh	Comparative studies on the efficacy of ivermectin, moxidectin and closantel against <i>Haemonchus contortus</i> resistance to benzimidazole in sheep	<b>2000</b>
38.	<b>Dr. Anish Yadav</b>	Dr. S. K. Gupta	Studies on resistance against some ionophores and their effect on immunity to <i>Eimeria tenella</i> field isolates	<b>2000</b>
39.	<b>Dr. Amit Singh</b>	Dr. S.S. Chaudhri	Standardization of antigen detection enzyme immunoassay for diagnosis and monitoring of chemotherapy in <i>Trypanosoma evansi</i> infected calves	<b>2000</b>
40.	<b>Dr. Devender Singh</b>	Dr. Satyavir Singh	Studies on incidence and chemotherapy of <i>Schistosoma indicum</i> in sheep.	<b>2000</b>
41.	<b>Dr. Sandeep Sheoran</b>	Dr. J. D. Ghosh	Studies on interaction of dietary phosphorus and <i>Haemonchus contortus</i> in sheep	<b>2000</b>
42.	<b>Dr. Rup Ram</b>	Dr. S. K. Gupta	Comparative abundance of <i>Theileria annulata</i> in <i>Hyalomma</i> ticks and its sero-prevalence in cattle in arid and semi-arid region of north-west India	<b>2000</b>
43.	<b>Dr. Shobha Rani</b>	Dr. A. K. Sangwan	Identification of immunodominant schizont antigen of three Indian <i>Theileria annulata</i> isolates by immunoblotting	<b>2001</b>
44.	<b>Dr. L. Jayabal</b>	Dr. S.S. Chaudhri	Antigen detection sandwich ELISA for diagnosis of trypanosomosis in Cattle and Buffaloes of Haryana	<b>2001</b>
45.	<b>Dr. H S Solanki</b>	Dr. Rajinder Kumar	Effect of neem leaf extract(s) on caecal coccidiosis in broiler	<b>2003</b>

			chickens.	
46.	<b>Dr. Vivek Agrawal</b>	Dr.Rajinder Kumar	Studies on resistance in <i>Eimeria tenella</i> Hisar isolate to anticoccidials in broiler chicks	<b>2003</b>
47.	<b>Dr. Meena Das</b>	Dr.Satyavir Singh	Studies on the efficacy of rafoxanide and doramectin against fenbendazole / morantel resistance gastrointestinal nematodes in sheep and goats	<b>2004</b>
48.	<b>Dr. Vijay Kumar</b>	Dr.Rajinder Kumar	Studies on the efficacy of Diclazuril alone and in combination with turmeric powder and Vit. K on caecal coccidiosis in broiler chicks	<b>2006</b>
49.	<b>Dr. Santosh Hadimani</b>	Dr. S.K. Gupta	Efficacy of probiotics and medicinal plants on <i>Eimeria tenella</i> infection of chickens and their effect on development of immunity	<b>2007</b>
50.	<b>P. Prasanna Kumar</b>	Dr. A.K. Sangwan	Quantitative xenodiagnosis of <i>Theileria annulata</i> under different managemental conditions	<b>2008</b>
51.	<b>Dr.(Ms) Shyma K.P.</b>	Dr. S.K. Gupta	Comparison of Monoclonal antibody based Latex agglutination test with PCR for diagnosis of <i>Trypanosoma evansi</i> in domestic animals	<b>2009</b>
52.	<b>Dr. Reema Verma</b>	Dr. S.S. Chaudhari	Cross reaction between <i>Trypanosoma evansi</i> and other haemoprotozoan in cattle	<b>2010</b>
53.	<b>Dr. Priyanka Singh</b>	Dr.Satyavir Singh	Studies on status of anthelmintic resistance and efficacy of anthelmintic combinations against gastrointestinal nematodes in goats	<b>2012</b>
54.	<b>Dr. Sarika</b>	Dr.Rajinder Kumar	Studies on status of anthelmintic resistance and efficacy of anthelmintic combinations against gastrointestinal nematodes in sheep	<b>2012</b>
55.	<b>Dr. Souti Prasad</b>	Dr. S.K. Gupta	Genetic diversity among <i>Trypanosoma evansi</i> from different geographical regions of India	<b>2014</b>
56.	<b>Dr. Ruchi Singh</b>	Dr. A.K. Sangwan	Assessment and biochemical characterization of acaricide resistance in livestock ticks of Haryana	<b>2014</b>
57.	<b>Dr. Ruchi Sharma</b>	Dr.Satyavir Singh	Studies on status of anthelmintic resistance and evaluation of mixtures of anthelmintics against gastrointestinal nematodes in sheep	<b>2015</b>
58.	<b>Dr. Pradeep Kumar</b>	Dr.Sukhdeep Vohra	Comparison of different diagnostic tests for <i>Trypanosoma evansi</i> infection in buffaloes	<b>2016</b>
59.	<b>Dr. Suman Kumari</b>	Dr. A.K. Sangwan	Assessment of acaricide resistance in livestock ticks and poultry red mite of Haryana	<b>2016</b>
60.	<b>Dr. Suresh Kumar</b>	Dr.Satyavir Singh	Status of anthelmintic resistance on a sheep farm and molecular studies of <i>Haemonchus contortus</i> for detection of benzimidazole resistance	<b>2016</b>

61.	<b>Dr. Krutanjali Swain</b>	Dr.SukhdeepVohra	Molecular characterization of <i>Cryptosporidium</i> species in buffaloes in Haryana	<b>2016</b>
62.	<b>Dr. Navjot Nain</b>	Dr. S.K. Gupta	Molecular characterization of <i>Eimeria</i> species of buffaloes in Haryana	<b>2017</b>
63.	<b>Dr. Hardeep Kalkal</b>	Dr. A.K. Sangwan	Detection, morphological characterization and epidemiological investigations on parasitic ciliates in buffaloes	<b>2017</b>
64.	<b>Dr. Sukhjeet Singh</b>	Dr.Satyavir Singh	Studies on epidemiology and anthelmintic resistance in gastrointestinal nematodes of cattle under different management systems in Haryana	<b>2017</b>
65.	<b>Dr. Priyanka Sheoran</b>	Dr.Sukhdeep Vohra	Epidemiology of gastrointestinal parasitic infections and status of anthelmintic resistance in sheep and goats reared in aeolian plains of Haryana	<b>2019</b>
66.	<b>Dr. Sandeep Yadav</b>	Dr. Sukhdeep Vohra	Molecular detection of haemoprotozoan parasites from cattle ticks	<b>2020</b>
